If the breach is not cured to the satisfaction of the non-breaching party within ten (10) calendar days of receipt of notice, this Agreement shall automatically terminate and the CDFA shall reimburse the Recipient for all documented costs incurred up to the date of the notice of termination, including all non-cancellable obligations.

## **16. Acceptable Failure to Perform**

The Recipient shall not be liable for any failure to perform as required by this Agreement, to the extent such failure to perform is caused by any of the following: labor disturbances or disputes of any kind, accidents, or the inability to obtain any required government approval to proceed, civil disorders, acts of aggression, acts of God, energy or other conservation measures, failure of utilities, mechanical breakdowns, materials shortages, disease, pandemics, or similar occurrences.

If the Recipient fails to cure the breach within the time prescribed by this Agreement, CDFA may do any of the following:

- A. Suspend payments;
- B. Demand repayment of all funding;
- C. Terminate the Agreement; or
- D. Take any other action deemed necessary to recover costs.

If CDFA determines that the Recipient is not in material breach but that the Project is not being implemented in accordance with the provisions of this Agreement, or that the Recipient has failed in any other respect to comply with the provisions of this Agreement, and the Recipient has failed to remedy any such failure in a reasonable and timely manner, CDFA may withhold all or any portion of the grant funding and take any other action that CDFA deems necessary to protect its interests.

Where a portion of the grant funding has been disbursed to the Recipient and CDFA notifies the Recipient of its decision not to release funds that have been withheld pursuant to paragraph 17, the portion that has been disbursed shall thereafter be repaid immediately. CDFA may consider the Recipient's refusal to repay the requested disbursed amount a material breach.

If CDFA notifies the Recipient of its decision to withhold the entire funding amount from the Recipient pursuant to this paragraph, this Agreement shall terminate upon receipt of such notice by the Recipient and CDFA shall no longer be required to provide funds under this Agreement and the Agreement shall no longer be binding on either party.

In the event CDFA finds it necessary to enforce this provision of this Agreement in the manner provided by law, the Recipient agrees to pay all enforcement costs incurred by CDFA including, if CDFA should prevail in a civil action, reasonable attorneys' fees, legal expenses, and costs related to the action.

#### **19. Publicity and Acknowledgement**

The Recipient agrees that it will acknowledge CDFA's support whenever projects funded, in whole or in part, by this Agreement are publicized in any news media, brochures, publications, audiovisuals, presentations or other types of promotional material and in accordance with the Grant Procedures Manual if incorporated by reference and attachment to the Agreement. The Recipients may not use the CDFA logo.

#### **20. News Releases/Public Conferences**

Changes to the Scope of Work, Budget, or the Project term, must be requested in writing to CDFA Grant Administrative Contact no less than thirty (30) days prior to the requested implementation date. Any changes to the Scope of Work and Budget are subject to CDFA approval and, at its discretion, CDFA may choose to accept or deny any changes. If accepted and after negotiations are concluded, the agreed upon changes will be made and become part of this Agreement. CDFA will respond in writing within ten (10) business days as to whether the proposed changes are accepted.

#### **22. Reporting Requirements**

#### **25. Confidential and Public Records**

The Recipient and CDFA understand that each party may come into possession of information and/or data which may be deemed confidential or proprietary by the person or organization furnishing the information or data. Such information or data may be subject to disclosure under the California Public Records Act or the Public Contract Code. CDFA has the sole authority to determine whether the information is releasable. Each party agrees to maintain such information as confidential and notify the other party of any requests for release of the information.

## **26. Amendments**

### **Nursery Inspection Report - Submit Quarterly**

Include time spent on activities related to enforcement of State Nursery Laws and Regulations. *Do not report time spent on inspections of nursery stock shipments in transit or at destination, or inspections conducted to certify for export. These are quarantine activities.*

#### **Section A. Nursery Inspections**

Report in this section the number of regulatory inspections and the total time spent for such inspections. Regulatory inspections include inspecting nurseries for pest cleanliness, labeling, and grades and standards. Several partial inspections may be required to complete a required inspection at a given location. Such inspections should be counted as one inspection at a given location. Time spent by county personnel in nurseries for collecting, preparing and submitting pest specimens and/or plant samples for identification by the CDFA Diagnostics Lab (Activity code 70 in Form 65-020, Pest and Damage Record), and for providing information on pest control operations for pest cleanliness may be included for determining the hours for a given location. Details of the nursery, such as name of nursery, license number, acreage used for production, storage and sale of nursery stock, type of nursery stock, etc., must be entered on the supplemental sheet for report number 7.

The time spent on follow-up inspections of nurseries to determine compliance with pest cleanliness requirements, complaints, spot checks, reconditioning nursery stock, and release or disposition of lots placed on hold for noncompliance, etc., must be indicated under 'reinspection for noncompliance.'

Nursery inspection for nematode certification at a given location, such as for supervision of soil fumigation, sampling for nematodes, etc., must be reported on a different form (Form 64-054, NURSERY STOCK NEMATODE CERTIFICATION). However, the total time spent on nursery inspections for nematode certification during the month must be included in the last column of Report 7 and in the total hours for section A.

#### **Section B. Licensing Activities**

Report in this section the time spent by county personnel in nurseries for initial inspection of new applicants for a License to Sell Nursery Stock, or for verifying a License to Sell Nursery Stock. Indicate the number of nurseries licensed under the column 'new' or 'renewals' as appropriate, and the time spent on such activity in the last column (hours). Name(s) of nursery must be entered on the supplemental sheet for report number 7

#### **Section C. Enforcement Actions**

Report in this section the time spent by county personnel on enforcement actions, such as administrative hearings, court hearings, and disciplinary actions related to nursery laws.

#### **Section D. Program Support Activities**

Report in this section the time spent by county personnel on program support activities such as planning, training, administration, etc., that are essential for enforcement of nursery laws and regulations.

#### **Section E. Comments**
