**THE BOARD OF SUPERVISORS | NAPA COUNTY, CALIFORNIA**

**September 2022 is Recovery Month in Napa County**

**WHEREAS**, for the 33<sup>rd</sup> year, the month of September is recognized nationally as Recovery Month; setting aside designated, targeted time to promote wellness through recovery for the members of our community; and

**WHEREAS**, there are millions of Americans whose lives have been transformed through recovery, who often go unrecognized. Recovery Month intentionally celebrates the success, strength and courage that it takes to live in recovery, and highlights that recovery is possible; and

**WHEREAS**, Recovery Month brings to light the ongoing need to educate others about substance use disorders, co-occurring disorders and the effectiveness of treatment and recovery services; and

**WHEREAS**, Napa County celebrates the dedication of addiction professionals working throughout our county who support the continuum of care necessary to meet the needs of those who in need of services. Their efforts are critical to improve the health and well-being of Napa's youth and adults struggling with addiction; and

**WHEREAS**, Napa County continues to provide a safe and welcoming place for people to connect with providers to develop a strong and proud recovery community.

**NOW, THEREFORE I**, Ryan Gregory, on behalf of the Napa County Board of Supervisors, do hereby proclaim the month of September 2022 as National Recovery Month in Napa County and support the permanent theme, "Recovery is For Everyone: Every Person, Every Family, Every Community."
