Community Participation

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

Having worked extensively on the settlement of a federal suit against Westchester County NY for accepting CDBG funds without fulfilling required fair and affordable housing requirements, I moved to Napa and became involved in Napa's own quest for affordable housing. I am in my sixth year of serving on the Board of Directors of Napa Valley Community Housing and am a member of the Napa Housing Coalition. I believe that my experience both in NY as well as in Napa has only increased my understanding of the need for affordable housing here.

Nature of activity and community location

I have also spent the past 6 years serving on the Board of Directors for the Cope Family Resource center, working to help families in Napa County with a variety of challenges... not the least of which is housing that is affordable.

Other County Board/Commission/Committee on Which You Serve/Have Served

None, although I would like to. I was urged by both Bill Chadwick and Bob Massaro to look into the Housing Commission.
