BACKGROUND AND DISCUSSION

The requested Staff Services Manager Position in the Child Welfare Services Division of the Health and Human Services Agency (HHSA) is needed to provide program development and oversight of the Napa County Comprehensive Prevention Plan, per the newly implemented Family First Prevention Services Act of 2018. Additionally, the Staff Services Manager will also provide direct supervision to newly implemented Child Welfare Services systems and programs such as policy and procedure development and training and staff development. Lastly, the Staff Services Manager will spearhead oversight and development of quality management and quality improvement efforts with a targeted focus on child abuse prevention.

The Operations Division of HHSA performs critical administrative functions in support of human resources transactions and payroll processes. These responsibilities include the credentialing and privileging of the more than 130 licensed or certificated classifications, and managing administrative processes for hiring, onboarding, performance management, and employee actions. The integrity of these processes depends on a team that includes Staff Services Analysts monitoring, analyzing, and operationalizing policies and procedures governed by various State and Federal regulatory bodies. Due to an extended leave of absence a Staff Services Analyst I/II - Limited Term position is requested through 4/30/2024 to backfill.

The Operations Division of HHSA also makes meals available for clients who are in need and participate in an HHSA program. This client meal program supports the health and social well-being of clients engaged in services and treatment programs. HHSA contracts with the Salvation Army to fully operate the customer service side of the on-site kitchen, Provisions Café, which provides these meals. To support the back of the house operations including the cooking, food preparation, cleaning and maintenance, HHSA is currently allocated two separate Cook II positions, each of which are allocated at 0.75 FTE. If approved, this request deletes these two 0.75 FTE positions and replaces them with one 1.0 Cook II FTE, resulting in a net decrease of 0.5 FTE.

Therefore, the Director of Human Resources and the Director of Health and Human Services Agency request adoption of a Resolution amending the Departmental Allocation List for multiple divisions of the Health and Human Services Agency, effective March 14, 2023, with a net increase of 1.5 FTE, and no impact to the County General Fund.
