In California, the property tax rates must be adopted on or before October 3rd of each year. Please see the attachment for the resolution detailing the specific tax rates for Fiscal Year 2022-23. As established by Proposition 13, the limit on property tax is 1% (\$1.00 per \$100) of the assessed value for local and state assessed property. Additional tax rates are established on an annual basis for voter approved debt and other initiatives if applicable. Any additional City/Town specific rates or rates affecting overlapping school districts outside of the County are adopted by separate resolution by the jurisdiction's Governing Board.
