EXECUTIVE SUMMARY

The State of California Department of Housing and Community Development (HCD) administers the Emergency Solutions Grant (ESG) program with funding received from the U.S. Department of Housing and Urban Development (HUD). Each year the State makes two allocations available for application: a non-competitive allocation and a competitive allocation. A Resolution is required by HCD for each application. Housing & Homeless Services requests the adoption of two Resolutions to apply for a maximum of \$520,000 for the 2022 Emergency Solutions Grant program.

Napa County DHHS was requested to update the previous resolutions approved by the Board of Supervisors on July 26, 2022, to ensure compliance with the California Department of Housing and Community Development (HCD) Resolution format.

BACKGROUND AND DISCUSSION

The State of California Department of Housing and Community Development (HCD) administers the Emergency Solutions Grant (ESG) program with funding received from the U.S. Department of Housing and Urban Development (HUD). This program provides funding for the following purposes:

1. A maximum of 10% of the funds provided under this agreement may be used for Street Outreach, Homeless Prevention and/or Homeless Management Information Systems (HMIS) activities;
2. Engage homeless individuals and families living on the street;
3. Improve the number and quality of emergency shelters for homeless individuals and families;
4. Provide essential services to shelter residents;
5. Rapidly re-house homeless individuals and families; and
6. Prevent families and individuals from becoming homeless.

On June 13, 2022, HCD released a Notice of Funding Availability (NOFA) for the state-administered Emergency Solutions Grant (ESG) Program, Balance of State (BoS) Allocation. The ESG BoS NOFA sets forth the process and requirements for submitting applications for ESG funds, with all applications and all required

documentation due to HCD no later than Wednesday, August 17, 2022.

The County of Napa has applied for and received ESG funding by HCD annually since 2016. The purpose of the ESG program is to help individuals and families quickly regain stability in permanent housing after experiencing a housing crisis or homelessness. HCD provides ESG funds by formula to states, metropolitan cities, urban counties, and U.S. territories to support homelessness prevention, emergency shelter and related services.

The ESG program, coupled with other funding, supports initiatives providing homelessness prevention, street outreach and housing subsidies using the Coordinated Entry system. Per HCD guidance, separate Resolutions are required, one for the Noncompetitive Balance of State allocation and one for the Competitive Balance of State allocation. Approval of this item authorizes the Chair of the Board to sign two Resolutions to apply for and accept the 2022 Emergency Solutions Grant (ESG) Non-Competitive Balance of State allocation in an amount not to exceed \$120,000 and Competitive Balance of State allocation in an amount not to exceed \$400,000.

In November of 2022, HCD notified Napa County DHHS that the Resolutions previously submitted did not follow the appropriate format approved by HCD. The Resolutions have been updated to ensure compliance.
