Community Participation

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

The Napa County Library serves the entirety of Napa County's residents. We are a general use library and attempt to assist the public with whatever questions they may have - including those around legal issues. Once our skills, abilities and resources are exhausted, we refer people to other, more specialized services. This includes the Napa County Law Library. Additionally, post South Napa earthquake in 2014, the Law Library had a small collection of materials moved to our location and their Law Librarian was also stationed in our Napa Library location. Because of the ongoing nature of our work and the temporary location post-earthquake, our library is in the perfect position to help support those using the Law Library by ensuring that it has the proper resources and staffing expertise to meet the needs of both professional lawyers and the general public in search of answers to legal questions. Additionally, our extensive experience with programming and outreach could allow the Law Library to expand public awareness and encourage wider use to help support those in our community.

As Library Director, I currently sit on two different groups: I am the County's representative for the North Bay North Coast Broadband Consortium (NBNCBC). This group works towards increasing awareness and access to broadband connectivity in our community. Additionally, I serve as an Executive Committee member for the Northnet Library System, a regional consortium consisting of 40 public libraries and 2 academic libraries.
