**Data Universal Numbering System (DUNS) Number: 071688188**

**FUNDING PERIOD: July 1, 2022 through June 30, 2023**

This letter is confirmation of your local assistance award to support tuberculosis (TB) prevention and control activities in fiscal year (FY) 2022-2023.

**REAL-TIME ALLOTMENT**

The California Department of Public Health (CDPH) Tuberculosis Control Branch (TBCB) is increasing the amount of the Real-time Allotment awarded to the Napa County Public Health Department by \$15,122, with the understanding that your staff will work with CDPH TBCB staff in carrying out your program's TB control efforts. This revised installment is comprised of \$6,532 state and \$8,590 federal funds<sup>1</sup>.

The amount is based on the number of TB cases and case characteristics reported by your jurisdiction between June 1 and October 31, 2022. A final installment of your Real-time Allotment may be sent to your jurisdiction if additional or previously unreported TB cases, case characteristics and/or completed B1-notification evaluations are reported between November 1 and December 31, 2022. Funds are issued for up to five TB cases and/or case characteristics per calendar year; completed B1-notification evaluations are not limited.

This award is valid and enforceable only if the enacted State of California FY 2022-2023 budget and the 2022 and 2023 Federal budgets make sufficient funds available for the purposes of this program.
