Community Participation

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

As a home owner close to the airport and being a pilot, I believe there is a critical need for representation
and education between the airport and residences that live close by. With the future growth of Napa
airport it will be important to have open peaceful input from all involved. I hope to be able to discuss and
educate fellow neighbors about the airport operations and return to the commission, airport management
and supervisors with positive suggestions and open dialog. The promotion of the airport and its value to
all will also be a goal to achieve.
