## Community Participation

### Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

As a home owner close to the airport and being a pilot, I believe there is a critical need for representation and education between the airport and residences that live close by. With the future growth of Napa airport it will be important to have open peaceful input from all involved. I hope to be able to discuss and educate fellow neighbors about the airport operations and return to the commission, airport management and supervisors with positive suggestions and open dialog. The promotion of the airport and its value to all will also be a goal to achieve.
