**Subject: Request for Public Comment on Proposal to Establish “No Parking/Tow Away” zones on both sides of Conn Valley Road between the Moore Creek Park Entrance and the City of Napa’s “Picnic Area”.**

Dear Community Member:

The Department of Public Works has received a letter from Mr. Chris Cahill, Manager, Napa County Regional Park & Open Space District (NCRPOSD), dated May 9, 2022, concerning vehicles parking on both sides of Conn Valley Road between Moore Creek Park Entrance and the City of Napa’s “Picnic Area” ( $\pm 1000'$ ). This condition is causing potentially hazardous road conditions by limiting access for emergency vehicles. Conn Valley Road is a narrow, winding local residential roadway with minimal shoulders. The proposed No Parking/Tow Away Zones are shown in red on the attached area map.

The Department of Public Works, in consultation with the Napa County Sheriff’s Office, California Highway Patrol, and Napa County Fire Department, is proposing to establish permanent “No Parking/Tow Away” Zones on both sides of Conn Valley Road between the Moore Creek Park Entrance and the City of Napa’s “Picnic Area” ( $\pm 1000'$ ). However, before going to the Board of Supervisors for their review, we would like the input of the immediate community around Conn Valley Road. Please provide any comments in writing through mail or email (preferred) by the end of business day on **June 30, 2022.**

The Department of Public Works, Napa County Sheriff’s Office, California Highway Patrol and Napa County Fire Department will finalize this proposal after receiving community/stakeholder input.

We appreciate your time and support on community safety matters. Please respond in writing on the listed matter at the following address:

Traffic Engineer, Department of Public Works  
County of Napa, California  
1195 Third Street, Suite 101  
Napa, CA 94559
