THIS AGREEMENT is made and entered into as of this _____ day of July, 2022, by and between NAPA COUNTY, a political subdivision of the State of California, hereinafter referred to as “COUNTY”, and Mead & Hunt, Inc. a Wisconsin corporation, whose business address is 1360 19th Hole Dr. Suite 200, Windsor, CA 95492, hereinafter referred to as “CONTRACTOR”;

RECITALS

WHEREAS, COUNTY wishes to obtain specialized services, as authorized by Government Code section 31000, in order to provide Design Engineering Services for the environmental technical study for Taxiway K and Runway 19R Runup Apron Reconstruction project at the Napa County Airport; and

WHEREAS, CONTRACTOR is willing to provide such specialized services to COUNTY under the terms and conditions set forth herein; and

WHEREAS, CONTRACTOR has been pre-qualified by the County to perform this type of work through a competitive Request for Qualifications process completed in May 2021; and

TERMS

NOW, THEREFORE, COUNTY hereby engages the services of CONTRACTOR, and CONTRACTOR agrees to serve COUNTY in accordance with the terms and conditions set forth herein:

1. **Term of the Agreement.** The term of this Agreement shall commence on the date first above written and shall expire on June 30, 2023, unless terminated earlier in accordance with Paragraphs 9 (Termination for Cause), 10 (Other Termination) or 23(a) (Covenant of No Undisclosed Conflict); except that the obligations of the parties under Paragraphs 7 (Insurance) and 8 (Indemnification) shall continue in full force and effect after said expiration date or early termination in relation to acts or omissions occurring prior to such dates during the term of the Agreement, and the obligations of CONTRACTOR to COUNTY shall also continue after said expiration date or early termination in relation to the obligations prescribed by Paragraphs 15 (Confidentiality), 20 (Taxes) and 21 (Access to Records/Retention). The term of this Agreement shall be automatically renewed for an additional year at the end of each fiscal year, under the terms and conditions then in effect, not to exceed one additional year, unless either party gives the other party written notice of intention not to renew no less than thirty (30) days prior to the expiration of the then current term. For purposes of this Agreement, “fiscal year” shall mean the period commencing on July 1 and ending on June 30.

2. **Scope of Services.** CONTRACTOR shall provide COUNTY those services set forth in Exhibit “A”, attached hereto.

3. **Compensation.**

(a) Rates. In consideration of CONTRACTOR's fulfillment of the promised work outlined in Exhibit "A", COUNTY shall pay CONTRACTOR at the fixed price of Fifteen Thousand Thirteen Dollars (\$15,013) detailed in Exhibit "B", attached hereto and incorporated by reference herein. In consideration of CONTRACTOR's fulfillment of separate task orders approved in advance in writing by the Airport Manager related to other elements of the environmental technical study, COUNTY shall pay CONTRACTOR those hourly rates identified in Exhibit "B-1" attached hereto and incorporated by reference herein with total amounts not to exceed any identified task order maximums.

(b) Expenses. Travel and other expenses will be reimbursed by COUNTY upon submission of an invoice in accordance with Paragraph 4 at the rates and/or in accordance with the provisions set forth in Exhibit "B."

(c) Maximum Amount. Notwithstanding subparagraphs (a) and (b), the maximum payments under this Agreement shall be a total of Fifteen Thousand Thirteen Dollars (\$15,013) and a total of Five Thousand Dollars (\$5,000) for any separately requested task orders for a total not to exceed contract amount of Twenty Thousand Thirteen Dollars (\$20,013); for professional services for the entirety of the contract; provided, however, that such amounts shall not be construed as guaranteed sums, and compensation shall be based upon services actually rendered and reimbursable expenses actually incurred.

4. **Method of Payment.**

(a) Professional Services. All payments for compensation and reimbursement for expenses shall be made only upon presentation by CONTRACTOR to COUNTY of an itemized billing invoice in a form acceptable to the Napa County Auditor which indicates, at a minimum, CONTRACTOR's name, address, Social Security or Taxpayer Identification Number, itemization of the hours worked, a detailed description of the tasks completed during the billing period, the names of person(s) performing the services and the position(s) held by such person(s), and the approved hourly or task rate.

(b) Expenses. If the Agreement provides for expense reimbursement, requests for reimbursement shall describe the nature and cost of the expense, the date incurred. With the exception of per diem reimbursements, receipts must be attached.

(c) Fixed Price. If the Agreement provides for a fixed price, if CONTRACTOR presents interim invoices, CONTRACTOR must state the percentage of work completed, which must be verified by COUNTY, i.e., 35% design, 95% design, draft report, et cetera, at which time CONTRACTOR shall be paid the equivalent percentage of the fixed price.

(d) CONTRACTOR shall submit invoices not more often than monthly to the Airport Manager who, after review and approval as to form and content, shall submit the invoice to the Napa County Auditor no later than fifteen (15) calendar days following receipt. A sample invoice showing the level of detail required is attached as Exhibit "C".

(e) Legal status. So that COUNTY may properly comply with its reporting obligations under federal and state laws pertaining to taxation, if CONTRACTOR is or becomes a corporation during the term of this Agreement, proof that such status is currently recognized by and complies with the laws of both the state of incorporation or organization and the State of California, if different, shall be provided to the Airport Manager upon request in a form satisfactory to the Napa County Auditor. Such proof shall include, but need not be limited to, a

copy of any annual or other periodic filings or registrations required by the state of origin or California, the current address for service of process on the corporation or limited liability partnership, and the name of any agent designated for service of process by CONTRACTOR within the State of California.

5. **Independent Contractor.** CONTRACTOR shall perform this Agreement as an independent contractor. CONTRACTOR and the officers, agents and employees of CONTRACTOR are not, and shall not be deemed, COUNTY employees for any purpose, including workers' compensation and employee benefits. CONTRACTOR shall, at CONTRACTOR's own risk and expense, determine the method and manner by which duties imposed on CONTRACTOR by this Agreement shall be performed; provided, however, that COUNTY may monitor the work performed by CONTRACTOR. COUNTY shall not deduct or withhold any amounts whatsoever from the compensation paid to CONTRACTOR, including, but not limited to amounts required to be withheld for state and federal taxes, unless required to do so by court order. As between the parties to this Agreement, CONTRACTOR shall be solely responsible for all such payments.

6. **Specific Performance.** It is agreed that CONTRACTOR, including the agents or employees of CONTRACTOR, shall be the sole providers of the services required by this Agreement. Because the services to be performed by CONTRACTOR under the terms of this Agreement are of a special, unique, unusual, extraordinary, and intellectual or time-sensitive character which gives them a peculiar value, the loss of which cannot be reasonably or adequately compensated in damages in an action of law, COUNTY, in addition to any other rights or remedies which COUNTY may possess, shall be entitled to injunctive and other equitable relief to prevent a breach of this Agreement by CONTRACTOR.

7. **Insurance.** CONTRACTOR shall obtain and maintain in full force and effect throughout the term of this Agreement, and thereafter as to matters occurring during the term of this Agreement, the following insurance coverage:

(a) Workers' Compensation Insurance. To the extent required by law during the term of this Agreement, CONTRACTOR shall provide workers' compensation insurance for the performance of any of CONTRACTOR's duties under this Agreement, including but not limited to, coverage for workers' compensation and employer's liability and a waiver of subrogation, and shall provide COUNTY with certification of all such coverages upon request by COUNTY's Risk Manager.

(b) Liability Insurance. CONTRACTOR shall obtain and maintain in full force and effect during the term of this Agreement the following liability insurance coverages, issued by a company admitted to do business in California and having an A.M. Best rating of A:VII or better, or equivalent self-insurance:

(1) General Liability. Commercial general liability [CGL] insurance coverage (personal injury and property damage) of not less than ONE MILLION DOLLARS (\$1,000,000) combined single limit per occurrence, covering liability or claims for any personal injury, including death, to any person and/or damage to the property of any person arising from the acts or omissions of CONTRACTOR or any officer, agent, or employee of CONTRACTOR under this Agreement. If the coverage includes an aggregate limit, the aggregate limit shall be no less than twice the per occurrence limit.

(2) Professional Liability/Errors and Omissions. Professional liability [or errors and omissions] insurance for all activities of CONTRACTOR arising out of or in connection with this Agreement in an amount not less than ONE MILLION DOLLARS (\$1,000,000) per claim.

(3) Comprehensive Automobile Liability Insurance. Comprehensive automobile liability insurance (Bodily Injury and Property Damage) on owned, hired, leased and non-owned vehicles used in conjunction with CONTRACTOR's business of not less than ONE MILLION DOLLARS (\$1,000,000) combined single limit per occurrence. Coverage shall be business auto insurance coverage using Insurance Services Office (ISO) form number CA 0001 06 92 including symbol 1 (any Auto) or the exact equivalent. If CONTRACTOR owns no vehicles, this requirement may be satisfied by a non-owned auto endorsement to the General Liability Insurance described in subparagraph (b)(1) above. If CONTRACTOR or CONTRACTOR's employees, officers, or agents will use personal automobiles in any way in the performance of this Agreement, CONTRACTOR shall provide evidence of personal auto liability coverage for each such person upon request.

(c) Certificates of Coverage. All insurance coverages referenced in 7(b), above, shall be evidenced by one or more certificates of coverage or, with the consent of COUNTY's Risk Manager, demonstrated by other evidence of coverage acceptable to COUNTY's Risk Manager, which shall be filed by CONTRACTOR with the COUNTY's Risk Manager prior to commencement of performance of any of CONTRACTOR's duties.

(1) The certificate(s) or other evidence of coverage shall reference this Agreement by its COUNTY number or title and department; shall be kept current during the term of this Agreement; shall provide that COUNTY shall be given no less than thirty (30) days prior written notice of any non-renewal, cancellation, other termination, or material change, except that only ten (10) days prior written notice shall be required where the cause of non-renewal or cancellation is non-payment of premium; and shall provide that the inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, the coverage afforded applying as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the company's liability.

(2) Waiver of Subrogation and Additional Insured Endorsements. For the commercial general liability insurance coverage referenced in 7(b)(1) and, for the comprehensive automobile liability insurance coverage referenced in 7(b)(3) where the vehicles are covered by a commercial policy rather than a personal policy, CONTRACTOR shall also file with the evidence of coverage an endorsement from the insurance provider naming COUNTY, its officers, employees, agents and volunteers as additional insureds and waiving subrogation. For the Workers Compensation insurance coverage, CONTRACTOR shall file with the evidence of coverage an endorsement waiving subrogation.

(3) The certificate or other evidence of coverage shall provide that if the same policy applies to activities of CONTRACTOR not covered by this Agreement, then the limits in the applicable certificate relating to the additional insured coverage of COUNTY shall pertain only to liability for activities of CONTRACTOR under this Agreement, and that the insurance provided is primary coverage to COUNTY with respect to any insurance or self-insurance programs maintained by COUNTY. The additional insured endorsements for the general liability coverage shall use Insurance Services Office (ISO) Form No. CG 20 09 11 85 or CG 20

10 11 85, or equivalent, including (if used together) CG 2010 10 01 and CG 2037 10 01; but shall not use the following forms: CG 20 10 10 93 or 03 94.

(4) Upon request by COUNTY's Risk Manager, CONTRACTOR shall provide or arrange for the insurer to provide within thirty (30) days of the request, certified copies of the actual insurance policies or relevant portions thereof.

(d) Deductibles/Retentions. Any deductibles or self-insured retentions shall be declared to, and be subject to approval by, COUNTY's Risk Manager, which approval shall not be denied unless the COUNTY's Risk Manager determines that the deductibles or self-insured retentions are unreasonably large in relation to compensation payable under this Agreement and the risks of liability associated with the activities required of CONTRACTOR by this Agreement. At the option of and upon request by COUNTY's Risk Manager if the Risk Manager determines that such deductibles or retentions are unreasonably high, either the insurer shall reduce or eliminate such deductibles or self-insurance retentions as respects COUNTY, its officers, employees, agents and volunteers or CONTRACTOR shall procure a bond guaranteeing payment of losses and related investigations, claims administration and defense expenses.

(e) Inclusion in Subcontracts. CONTRACTOR agrees to require all subcontractors and any other entity or person who is involved in providing services under this Agreement to comply with the Workers Compensation and General Liability insurance requirements set forth in this Paragraph 7.

8. **Hold Harmless/Defense/Indemnification.**

(a) In General. To the full extent permitted by law, CONTRACTOR shall defend at its own expense, indemnify, and hold harmless the COUNTY and its officers, agents, employees, volunteers or representatives from and against any and all liability, claims, actions, proceedings, losses, injuries, damages or expenses of every name, kind, and description, including litigation costs and reasonable attorney's fees incurred in connection therewith, brought for or on account of, personal injury (including death), including but not limited to COUNTY employees, and the public, or damage to the property of any person or entity, which arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of CONTRACTOR, its officers, agents, employees, volunteers, representatives, contractors and subcontractors. This duty of CONTRACTOR includes the duty of defense, inclusive of that set forth in California Civil Code Section 2778. Each party shall notify the other party immediately in writing of any claim or damage related to activities performed under this Agreement. The parties shall cooperate with each other in the investigation and disposition of any claim arising out of the activities under this Agreement, provided that nothing shall require either party to disclose any documents, records or communications that are protected under peer review privilege, attorney-client privilege, or attorney work product privilege.

(b) Employee Character and Fitness. CONTRACTOR accepts responsibility for determining and approving the character and fitness of its employees (including volunteers, agents or representatives) to provide the services required of CONTRACTOR under this Agreement, including completion of a satisfactory criminal/background check and period rechecks to the extent permitted by law. Notwithstanding anything to the contrary in this Paragraph, CONTRACTOR shall hold COUNTY and its officers, agents and employees harmless from any liability for injuries or damages resulting from a breach of this provision or CONTRACTOR's actions in this regard.

9. **Termination for Cause.** If either party shall fail to fulfill in a timely and proper manner that party's obligations under this Agreement or otherwise breach this Agreement and fail to cure such failure or breach within ten (10) days of receipt of written notice from the other party describing the nature of the breach, the non-defaulting party may, in addition to any other remedies it may have, terminate this Agreement by giving five (5) days prior written notice to the defaulting party in the manner set forth in Paragraph 13 (Notices). The Napa County Purchasing Agent or designee pursuant to Napa County Code section 2.36.050 is hereby authorized to make all decisions and take all actions required under this Paragraph to terminate this Agreement on behalf of COUNTY for cause.

10. **Other Termination.** This Agreement may be terminated by either party for any reason and at any time by giving prior written notice of such termination to the other party specifying the effective date thereof at least thirty (30) days prior to the effective date, as long as the date the notice is given and the effective date of the termination are in the same fiscal year; provided, however, that no such termination may be effected by COUNTY unless an opportunity for consultation is provided prior to the effective date of the termination. COUNTY hereby authorizes the Napa County Executive Officer to make all decisions and take all actions required under this Paragraph to terminate this Agreement on behalf of COUNTY for the convenience of COUNTY.

11. **Disposition of, Title to and Payment for Work Upon Expiration or Termination.**

(a) Upon expiration of this Agreement or termination for cause under Paragraph 9 or termination for convenience of a party under Paragraph 10:

(1) To the extent CONTRACTOR has provided services through Software and Applications materials licensed to COUNTY, COUNTY shall promptly return the Software and Application materials to CONTRACTOR. In addition, to the extent CONTRACTOR maintains COUNTY data on those portions of digital software hosted by CONTRACTOR and not controlled by COUNTY ("County data"), CONTRACTOR shall promptly return County data to COUNTY Information Technology Department (ITS) in a format designated by ITS and shall subsequently purge County data from CONTRACTOR's systems upon confirmation from COUNTY that the copy of the data provided to COUNTY is comprehensive of the data previously hosted by CONTRACTOR.

(2) All finished or unfinished documents and other materials, if any, and all rights therein shall become, at the option of COUNTY, the property of and shall be promptly returned to COUNTY, although CONTRACTOR may retain a copy of such work for its personal records only, except as otherwise provided under Paragraph 15 (Confidentiality) of this Agreement. Unless otherwise expressly provided in this Agreement, any copyrightable or patentable work created by CONTRACTOR under this Agreement shall be deemed a "work made for hire" for purposes of copyright or patent law and only COUNTY shall be entitled to claim or apply for the copyright or patent thereof. Notwithstanding the foregoing and to the extent services under this Agreement involve the development of previously patented inventions or copyrighted software, then upon expiration or termination of this Agreement, title to, ownership of, and all applicable patents, copyrights and trade secrets in the products developed or improved under this Agreement, shall remain with CONTRACTOR or any other person or entity if such person previously owned or held such patents, copyrights, and trade secrets, and such persons shall retain complete rights to market such product; provided, however, that

COUNTY shall receive, at no additional cost, a perpetual license to use such products for its own use or the use of any consortium or joint powers agency to which COUNTY is a party. If the product involves a source code, CONTRACTOR shall either provide a copy of the source code to COUNTY or shall place the source code in an escrow account, at CONTRACTOR's expense, from which the source code may be withdrawn and used by COUNTY for the sole purpose of maintaining and updating the system dependent upon such code when such use is necessary to prevent loss of service to COUNTY.

(b) CONTRACTOR shall be entitled to receive compensation for any satisfactory work completed prior to expiration or receipt of the notice of termination or commenced prior to receipt of the notice of termination and completed satisfactorily prior to the effective date of the termination; except that CONTRACTOR shall not be relieved of liability to COUNTY for damages sustained by COUNTY by virtue of any breach of the Agreement by CONTRACTOR whether or not the Agreement expired or otherwise terminated, and COUNTY may withhold any payments not yet made to CONTRACTOR for purpose of setoff until such time as the exact amount of damages due to COUNTY from CONTRACTOR is determined.

12. **No Waiver.** The waiver by either party of any breach or violation of any requirement of this Agreement shall not be deemed to be a waiver of any such breach in the future, or of the breach of any other requirement of this Agreement.

13. **Notices.** All notices required or authorized by this Agreement shall be in writing and shall be delivered in person or by deposit in the United States mail, by certified mail, postage prepaid, return receipt requested. Any mailed notice, demand, request, consent, approval or communication that either party desires to give the other party shall be addressed to the other party at the address set forth below. Either party may change its address by notifying the other party of the change of address. Any notice sent by mail in the manner prescribed by this paragraph shall be deemed to have been received on the date noted on the return receipt or five days following the date of deposit, whichever is earlier.

CONTRACTOR also agrees that it shall not engage in any activities, or permit its officers, agents and employees to do so, during the performance of any of the services required under this Agreement, which would interfere with compliance or induce violation of these policies by COUNTY employees or contractors.

(a) Waste Source Reduction and Recycled Product Content Procurement Policy adopted by resolution of the Board of Supervisors on March 26, 1991.

(b) County of Napa "Policy for Maintaining a Harassment and Discrimination Free Work Environment" revised effective August 23, 2005.

(c) County of Napa Drug and Alcohol Policy adopted by resolution of the Board of Supervisors on June 25, 1991.

(d) Napa County Information Technology Use and Security Policy adopted by resolution of the Board of Supervisors on April 17, 2001. To this end, all employees and subcontractors of CONTRACTOR whose performance of services under this Agreement requires access to any portion of the COUNTY computer network shall sign and have on file with COUNTY's ITS Department prior to receiving such access the certification attached to said Policy.

(e) Napa County Workplace Violence Policy, adopted by the BOS effective May 23, 1995 and subsequently revised effective November 2, 2004, which is located in the County of Napa Policy Manual Part I, Section 37U.

15. **Confidentiality.**

(a) Maintenance of Confidential Information. Confidential information is defined as all information disclosed to CONTRACTOR which relates to COUNTY's past, present, and future activities, as well as activities under this Agreement. CONTRACTOR shall hold all such information as CONTRACTOR may receive, if any, in trust and confidence, except with the prior written approval of COUNTY, expressed through its Airport Manager. Upon cancellation or expiration of this Agreement, CONTRACTOR shall return to COUNTY all written and descriptive matter which contains any such confidential information, except that CONTRACTOR may retain for its files a copy of CONTRACTOR's work product if such product has been made available to the public by COUNTY.

(b) Protection of Personally Identifiable Information and Protected Health Information.

(1) To the extent CONTRACTOR is provided, creates, or has access to, Protected Health Information (PHI), Personally Identifiable Information (PII), or any other legally protected confidential information or data in any form or matter (collectively referred to as "Protected Information"), CONTRACTOR shall adhere to all federal, State and local laws, rules and regulations protecting the privacy of such information. CONTRACTOR shall adhere to all existing and future federal, state and local laws, rules and regulations regarding the privacy and security of Protected Information, including, but not limited to, laws and regulations requiring data encryption or policy and awareness programs for the protection of COUNTY Protected Information provided to, or accessed or created by, CONTRACTOR.

(2) CONTRACTOR shall ensure that its staff is trained to its privacy and security policies and procedures and that appropriate physical, technological and administrative safeguards are in place to protect the confidentiality of COUNTY's Protected Information, including, but not limited to, PHI and PII. Upon request, CONTRACTOR shall make available to COUNTY its policies and procedures, staff training records and other documentation of compliance with this Paragraph 15.

(3) CONTRACTOR agrees to notify COUNTY immediately of any unauthorized access to or disclosure of Protected Information that it becomes aware of.

(4) CONTRACTOR will be responsible for all costs associated with CONTRACTOR's breach of the security and privacy of COUNTY's Protected Information, or its unauthorized access to or disclosure of COUNTY's Protected Information, including, but not

limited to, mitigation of the breach, cost to the County of any monetary sanctions resulting from breach, notification of individuals affected by the breach, and any other action required by federal, state, or local laws, rules or regulations applicable at the time of the breach.

16. No Assignments or Subcontracts.

(a) In General. A consideration of this Agreement is the personal reputation of CONTRACTOR; therefore, CONTRACTOR shall not assign any interest in this Agreement or subcontract any of the services CONTRACTOR is to perform hereunder without the prior written consent of COUNTY, which shall not be unreasonably withheld. The inability of the assignee to provide personnel equivalent in experience, expertise, and numbers to those provided by CONTRACTOR, or to perform any of the remaining services required under this Agreement within the same time frame required of CONTRACTOR shall be deemed to be reasonable grounds for COUNTY to withhold its consent to assignment. For purposes of this subparagraph, the consent of COUNTY may be given by the Airport Manager.

(b) Effect of Change in Status. If CONTRACTOR changes its status during the term of this Agreement from or to that of a corporation, limited liability partnership, limited liability company, general partnership, or sole proprietorship, such change in organizational status shall be viewed as an attempted assignment of this Agreement by CONTRACTOR. Failure of CONTRACTOR to obtain approval of such assignment under this Paragraph shall be viewed as a material breach of this Agreement.

17. Amendment/Modification. Except as specifically provided herein, this Agreement may be modified or amended only with the prior written consent of both parties. Failure of CONTRACTOR to secure such authorization in writing in advance of performing any extra or changed work shall constitute a waiver of any and all rights to adjustment in the contract price or contract time and no compensation shall be paid for such extra work.

18. Interpretation; Venue.

(a) Interpretation. The headings used herein are for reference only. The terms of the Agreement are set out in the text under the headings. This Agreement shall be governed by the laws of the State of California without regard to the choice of law or conflicts.

(b) Venue. This Agreement is made in Napa County, California. The venue for any legal action in state court filed by either party to this Agreement for the purpose of interpreting or enforcing any provision of this Agreement shall be in the Superior Court of California, County of Napa, a unified court. The venue for any legal action in federal court filed by either party to this Agreement for the purpose of interpreting or enforcing any provision of this Agreement lying within the jurisdiction of the federal courts shall be the Northern District of California. The appropriate venue for arbitration, mediation or similar legal proceedings under this Agreement shall be Napa County, California; however, nothing in this sentence shall obligate either party to submit to mediation or arbitration any dispute arising under this Agreement.

19. Compliance with Laws. CONTRACTOR shall observe and comply with all applicable Federal, State and local laws, ordinances, and codes. Such laws shall include, but not be limited to, the following, except where prohibited by law:

(a) Non-Discrimination. During the performance of this Agreement, CONTRACTOR and its subcontractors shall not deny the benefits thereof to any person on the

basis of race, color, ancestry, national origin or ethnic group identification, religion or religious creed, gender or self-identified gender, sexual orientation, marital status, age, mental disability, physical disability, genetic information, or medical condition (including cancer, HIV and AIDS), or political affiliation or belief, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, color, ancestry, national origin or ethnic group identification, religion or religious creed, gender or self-identified gender, sexual orientation, marital status, age (over 40), mental disability, physical disability, genetic information, or medical condition (including cancer, HIV and AIDS), use of family care leave, or political affiliation or belief. CONTRACTOR shall ensure that the evaluation and treatment of employees and applicants for employment are free of such discrimination or harassment. In addition to the foregoing general obligations, CONTRACTOR shall comply with the provisions of the Fair Employment and Housing Act (Government Code section 12900, et seq.), the regulations promulgated thereunder (Title 2, California Code of Regulations, section 7285.0, et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (sections 11135-11139.5) and any state or local regulations adopted to implement any of the foregoing, as such statutes and regulations may be amended from time to time. To the extent this Agreement subcontracts to CONTRACTOR services or works required of COUNTY by the State of California pursuant to agreement between COUNTY and the State, the applicable regulations of the Fair Employment and Housing Commission implementing Government Code section 12990 (a) through (f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations are expressly incorporated into this Agreement by reference and made a part hereof as if set forth in full, and CONTRACTOR and any of its subcontractors shall give written notice of their obligations thereunder to labor organizations with which they have collective bargaining or other agreements.

(b) Documentation of Right to Work. CONTRACTOR agrees to abide by the requirements of the Immigration and Control Reform Act pertaining to assuring that all newly-hired employees of CONTRACTOR performing any services under this Agreement have a legal right to work in the United States of America, that all required documentation of such right to work is inspected, and that INS Form 1-9 (as it may be amended from time to time) is completed and on file for each employee. CONTRACTOR shall make the required documentation available upon request to COUNTY for inspection.

(c) Inclusion in Subcontracts. To the extent any of the services required of CONTRACTOR under this Agreement are subcontracted to a third party, CONTRACTOR shall include all of the provisions of this Paragraph 19 in all such subcontracts as obligations of the subcontractor.

(d) Prevailing Wages.

(1) Affected Work. CONTRACTOR shall comply with Labor Code sections 1774 and 1775 in relation to payment of prevailing wages for any portion of the required work performed under this Agreement on or after January 1, 2002 relating to construction design, testing, surveying and/inspection work, and construction if the State Director of Industrial Relations has established prevailing wage rates for the types of work involved.

(2) Prevailing Wages Rates. In accordance with the provisions of Section 1774 of the Labor Code of the State of California, to the extent the Director of Industrial Relations has established the general prevailing rate of wages (which rate includes employer payments for health and welfare, pension, vacation and similar purposes) for the above-described portions of the work required under this Agreement, such rates of wages will be on file and available for inspection at the

office of the County of Napa Department of Public Works, 1195 Third Street, Room 201, Napa, California.

(3) Payroll Records. In accordance with Labor Code section 1776, a copy of all payrolls for work subject to this subparagraph shall be submitted weekly to COUNTY's Director of Public Works. Payrolls shall contain the full name, address and social security number of each employee, his correct classification, rate of pay, daily and weekly number of hours worked, itemized deductions made and actual wages paid. They shall also indicate apprentices and ratio of apprentices to journeymen. The employee's address and social security number need only appear on the first payroll on which his name appears. The payroll shall be accompanied by a "Statement of Compliance" signed by the employer or his agent indicating that the payrolls are correct and complete and that the wage rates contained therein are not less than those required by the contract. The "Statement of Compliance" shall be on forms furnished by the Director of Public Works or designee or on any form with identical wording. CONTRACTOR shall be responsible for the submission of copies of payrolls of all subcontractors.

(4) Apprentices. CONTRACTOR shall be responsible for ensuring compliance with the provisions of Labor Code section 1777.5 relating to employment and payment of apprentices for work under this Agreement relating to land surveying and/or construction inspection if the total compensation to be paid CONTRACTOR for such work is \$30,000 or more.

(e) Notwithstanding anything to the contrary in this Agreement, pursuant to 29 CFR 97.36(i)(8) and (9), CONTRACTOR is hereby notified of, and shall comply with the following requirements and regulations imposed by the Federal Aviation Administration with respect to any discovery or invention which arises or is developed pursuant to this Agreement, and pertaining to any copyrights or rights in data created or otherwise developed when engaging in activities of CONTRACTOR under this Agreement.

20. **Taxes.** CONTRACTOR agrees to file federal and state tax returns or applicable withholding documents and to pay all applicable taxes or make all required withholdings on amounts paid pursuant to this Agreement and shall be solely liable and responsible to make such withholdings and/or pay such taxes and other obligations including, without limitation, state and federal income and FICA taxes. CONTRACTOR agrees to indemnify and hold COUNTY harmless from any liability it may incur to the United States or the State of California as a consequence of CONTRACTOR's failure to pay or withhold, when due, all such taxes and obligations. In the event that COUNTY is audited for compliance regarding any withholding or other applicable taxes or amounts, CONTRACTOR agrees to furnish COUNTY with proof of payment of taxes or withholdings on those earnings.

21. **Access to Records/Retention.** COUNTY, any federal or state grantor agency funding all or part of the compensation payable hereunder, the State Controller, the Comptroller General of the United States, or the duly authorized representatives of any of the above, shall have access to any books, documents, papers and records of CONTRACTOR which are directly pertinent to the subject matter of this Agreement for the purpose of making audit, examination, excerpts and transcriptions. Except where longer retention is required by any federal or state law, CONTRACTOR shall maintain all required records for at least seven (7) years after COUNTY makes final payment for any of the work authorized hereunder and all pending matters are closed, whichever is later.

22. **Authority to Contract.** CONTRACTOR and COUNTY each warrant hereby that they are legally permitted and otherwise have the authority to enter into and perform this Agreement.

23. **Conflict of Interest.**

(a) Covenant of No Undisclosed Conflict. The parties to the Agreement acknowledge that they are aware of the provisions of Government Code section 1090, et seq., and section 87100, et seq., relating to conflict of interest of public officers and employees. CONTRACTOR hereby covenants that it presently has no interest not disclosed to COUNTY and shall not acquire any interest, direct or indirect, which would conflict in any material manner or degree with the performance of its services or confidentiality obligation hereunder, except as such as COUNTY may consent to in writing prior to the acquisition by CONTRACTOR of such conflict. CONTRACTOR further warrants that it is unaware of any financial or economic interest of any public officer or employee of County relating to this Agreement. CONTRACTOR agrees that if such financial interest does exist at the inception of this Agreement, COUNTY may terminate this Agreement immediately upon giving written notice without further obligation by COUNTY to CONTRACTOR under this Agreement.

(b) Statements of Economic Interest. NAPA COUNTY AIRPORT
Taxiway K and Runway 19R Runup Apron Reconstruction
Technical Study Scope of Services
June 2022

PROJECT DESCRIPTION

This Scope of Services details the technical study services to be provided by Mead & Hunt, Inc. (CONSULTANT) for the Taxiway K and Runway 19R Runup Apron Reconstruction (Project) at the Napa County Airport (Airport) for the County of Napa (COUNTY).

Background

The Taxiway K pavement has not been rehabilitated since it was originally constructed in 1986. The current PCI of the pavement is 28, based on the Airport Pavement Management System (APMS) completed by the CONSULTANT in 2020. The design for this Project is programmed by the Federal Aviation Administration (FAA) for a Fiscal Year (FY) 2023 design grant. The COUNTY's planning and environmental consultant, Coffman Associates (Coffman), is in the process of preparing a Categorical Exclusion (CATEX) application. To support this process, the CONSULTANT is performing a technical study (Study) in advance of the design. It is understood that the Study will be eligible for reimbursement to the County under an FAA grant.

Project Elements

The Project is anticipated to consist of the following elements:

1. Removal of the existing AC and PCC surfaces, including connection to the North-most FBO Apron (22,100 SY);
2. Preparing the subgrade, as necessary, to provide sufficient structural support for the fleet mix;
3. Construction of a pavement section consisting of new aggregate base and AC pavement, with a reconfigured geometry to meet FAA fillet requirements (17,600 SY);
4. Construction of new aggregate base shoulders (9,600 SY);
5. Grading the area beyond the shoulders, to promote drainage and provide a surface gradient that complies with FAA standards;
6. Replacement of the existing taxiway lighting infrastructure to meet the new taxiway geometry as described above, and meet current standards and updated technology;
7. Installation of an underdrain system to mitigate future edge cracking; and
8. Installation of drainage improvements to correct existing ponding areas.

A Project graphic depicting these elements is included as *Attachment 1*. This graphic will be updated as part of the Study.

Project Team

The CONSULTANT will assign a Project Manager (PM) to this Project to monitor continuity through the Study, as described in this scope. The PM will be responsible for work performed by the CONSULTANT Team.

The CONSULTANT Team will also consist of civil engineers, designers, and administrative staff as needed to perform the tasks in this scope of work.

TECHNICAL STUDY SCOPE OF SERVICES

CONSULTANT will provide services as described in the following tasks.

TASK 1. PROJECT MANAGEMENT AND COMMUNICATION

Project management and communication tasks will consist of the following:

- a. Prepare contract and project setup
- b. Coordinate internal design team
- c. Quality control of internal design team
- d. Prepare invoices, up to two (2) anticipated
- e. Communication with the COUNTY and Coffman as needed via phone calls or email.

TASK 2. PROVIDE INITIAL RESPONSE TO INFORMATION REQUEST

The CONSULTANT will attend a virtual meeting with the COUNTY and Coffman to discuss anticipated efforts, revise environmental graphic previously prepared by CONSULTANT, create shape files for grading limits, and prepare initial response to list of requested items prepared by Coffman.

TASK 3. PLANNING-LEVEL PAVEMENT EVALUATION

The CONSULTANT will review the aircraft fleet mix prepared for Taxiway H reconstruction design and determine if the operations of the most demanding aircraft should be revised based on current operations. The CONSULTANT will also perform a planning-level pavement evaluation using FAARFIELD, based on the FAA Advisory Circular 150/5320-6G, *Airport Pavement Design and Evaluation*. The subgrade strength will be assumed based on previous geotechnical reports at the Airport.

TASK 4. PLANNING-LEVEL GRADING EVALUATION

The CONSULTANT will perform a planning-level grading evaluation based on the proposed profile of Taxiway K. It is anticipated that the profile will be raised to correct ponding issues. The CONSULTANT will create a Digital Terrain Model (DTM) using AutoCAD Civil 3D. The DTM will be created using a Civil 3D profile, corridor, and assemblies. The CONSULTANT will review grading requirements in FAA Advisory Circular 150/5300-13B, *Airport Design*, when evaluating the surface. The existing surface will be approximated based on aerial survey performed in 2016.

TASK 5. PLANNING-LEVEL STORM DRAIN EVALUATION

The CONSULTANT will perform a planning-level storm drain evaluation. This effort will consist of approximating catchment areas based on the grading evaluation, estimating proposed storm drain infrastructure locations, and evaluating tie-in locations to existing infrastructure. Invert elevations will be approximated based on aerial survey performed in 2016, and available record drawings. The

CONSULTANT will also estimate underdrain locations along taxiway shoulders and estimate tie-in locations and approximate depth of excavation.

TASK 6. PLANNING-LEVEL ELECTRICAL EVALUATION

The CONSULTANT will perform a planning-level electrical evaluation. This effort will consist of estimating existing circuit routing based on available record drawings and estimating approximate tie-in points to existing infrastructure. The primary goal for the Study will be to estimate trenching locations and depth of excavation.

TASK 7. PLANNING-LEVEL PHASING EVALUATION

The CONSULTANT will perform a planning-level phasing evaluation. This effort will consist of estimating construction durations based on quantities and production rates, estimating approximate quantity of hauling trips needed, verifying staging area and haul routes as shown on previous exhibits, and determining approximate volume of spoils to be borrowed, placed on-site, or hauled off-site.

TASK 8. DRAFT UPDATED PROJECT EXHIBIT

The CONSULTANT will prepare an exhibit (1 sheet) depicting the proposed improvements based on the planning-level evaluations performed herein. It is anticipated that this effort will consist of one draft exhibit, and after receipt of comments from COUNTY and Coffman on the draft, CONSULTANT will prepare one final exhibit.

TASK 9. PROVIDE FINAL RESPONSE TO INFORMATION REQUEST

The CONSULTANT will submit final responses to the list of requested items prepared by Coffman, based on the planning-level evaluations performed herein. The CONSULTANT will also provide final shape files if requested by Coffman.

DELIVERABLES

- 1) Initial Response to Information Request – Electronic Submittal
- 2) Project Exhibit – Electronic Submittal
- 3) Final Response to Information Request – Electronic Submittal

SCHEDULE OF COMPLETION

The CONSULTANT will provide the draft project exhibit and final responses to information requested within fifteen (15) working days after receipt of Notice to Proceed (NTP) from COUNTY. The CONSULTANT will provide the final project exhibit within five (5) working days after receipt of COUNTY and Coffman comments on the draft exhibit.

SERVICES TO BE PROVIDED BY THE COUNTY

The COUNTY and CONSULTANT agree that the following items will be provided by the COUNTY (or Coffman on behalf of the COUNTY). If these or any additional items are added to the CONSULTANT's scope of work, they will be considered extra services and require a negotiated fee and an Amendment to the contract.

1. Preparation of CATEX and associated environmental and cultural services, including site investigations.
2. Provide data to CONSULTANT if needed such as biological assessments, CATEX application, and other information related to the Study.
3. Review of draft documents from CONSULTANT within a reasonable amount of time.
4. Protection of digital information or data supplied by CONSULTANT, if any, from contamination, misuse, or changes.

SERVICES TO BE EXCLUDED

The COUNTY and CONSULTANT agree that the following items will be excluded from this scope. If these or any additional items are added to the CONSULTANT's scope of work, they will be considered extra services and require a negotiated fee and an Amendment to the contract.

1. Topographic survey
2. Geotechnical investigation
3. Engineering design services beyond planning-level evaluations as described herein
4. CONSULTANT site visits

CALIFORNIA PREVAILING WAGE REQUIREMENTS

Pursuant to California Labor Code sections 1720 and 1771, construction, alteration, demolition, installation, repair and maintenance work performed under this Agreement is subject to State prevailing wage laws. State prevailing wage laws require certain provisions be included in all contracts for public works. The Contractor and any subcontractors shall comply with State prevailing wage laws including but not limited to the requirements listed below.

1. Compliance with Prevailing Wage Requirements. Pursuant to California Labor Code sections 1720 through 1861, the Contractor and all subcontractors shall ensure that all workers who perform work under this Agreement are paid not less than the prevailing rate of per diem wages as determined by the Director of the California Department of Industrial Relations (DIR). This includes work performed during the design, site assessment, feasibility study, and other preconstruction phases of construction, including but not limited to inspection and land surveying work, regardless of whether any further construction work is conducted, and work performed during the post-construction phases of construction, including but not limited to all cleanup work at the jobsite.

1.1. Copies of such prevailing rate of per diem wages are on file at the Napa County Public Works Department and are available for inspection to any interested party on request. Copies of the prevailing rate of per diem wages also may be found at <http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm>. The Contractor and all subcontractors shall post a copy of the prevailing rate of per diem wages determination at each job site and shall make them available to any interested party upon request.

1.2. The wage rates determined by the DIR refer to expiration dates. If the published wage rate does not refer to a predetermined wage rate to be paid after the expiration date, then the published rate of wage shall be in effect for the life of this Agreement. If the published wage rate refers to a predetermined wage rate to become effective upon expiration of the published wage rate and the predetermined wage rate is on file with the DIR, such predetermined wage rate shall become effective on the date following the expiration date and shall apply to this Agreement in the same manner as if it had been published in said publication. If the predetermined wage rate refers to one or more additional expiration dates with additional predetermined wage rates, which expiration dates occur during the life of this Agreement, each successive predetermined wage rate shall apply to this Agreement on the date following the expiration date of the previous wage rate. If the last of such predetermined wage rates expires during the life of this Agreement, such wage rate shall apply to the balance of the Agreement.

2. Penalties for Violations. The Contractor and all subcontractors shall comply with California Labor Code section 1775 in the event a worker is paid less than the prevailing wage rate for the work or craft in which the worker is employed. This shall be in addition to any other applicable penalties allowed under California Labor Code sections 1720 through 1861.

3. Payroll Records. The Contractor and all subcontractors shall comply with California Labor Code section 1776, which generally requires keeping accurate payroll records, verifying and certifying payroll records, and making them available for inspection. The Contractor shall require all subcontractors to also comply with section 1776. The Contractor and all subcontractors shall furnish records specified in section 1776 on a monthly basis, both to the County and directly to the Labor Commissioner in the manner required by California Labor Code section 1771.4. The Contractor shall ensure its subcontractors prepare and submit payroll records to the County and the DIR as required by this section.

3.1. If the Contractor or a subcontractor is exempt from the DIR registration requirement pursuant to section 9.4 below, then the Contractor or such subcontractor is not required to furnish payroll records directly to the Labor Commissioner but shall retain the records for at least three years after completion of the work, pursuant to California Labor Code section 1771.4(a)(4).

3.2. The County may require the Contractor and its subcontractors to prepare and submit records specified in section 1776 to the County and the Labor Commissioner on a weekly basis, at no additional cost to the County.

4. Apprentices. The Contractor and all subcontractors shall comply with California Labor Code sections 1777.5, 1777.6 and 1777.7 concerning the employment and wages of apprentices. The Contractor is responsible for compliance with this section for all apprenticeable occupations pursuant to California Labor Code section 1777.5(n).

5. Working Hours. The Contractor and all subcontractors shall comply with California Labor Code sections 1810 through 1815, including but not limited to: (i) restrict working hours on public works contracts to eight hours a day and forty hours a week, unless all hours worked in excess of 8 hours per day are compensated at not less than 1½ times the basic rate of pay; and (ii) specify penalties to be imposed on contractors and subcontractors of \$25 per worker per day for each day the worker works more than 8 hours per day and 40 hours per week in violation of California Labor Code sections 1810 through 1815.

6. Required Provisions for Subcontracts. The Contractor shall include, at a minimum, a copy of the following provisions in any contract they enter into with a subcontractor: California Labor Code sections 1771, 1771.1, 1775, 1776, 1777.5, 1810, 1813, 1815, 1860 and 1861.

7. Labor Code Section 1861 Certification. In accordance with California Labor Code section 3700, the Contractor is required to secure the payment of compensation of its employees. By signing the Agreement, to which this is an exhibit, the Contractor certifies that:

“I am aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for workers’ compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this Agreement.”

8. Compliance Monitoring and Enforcement. This project is subject to compliance monitoring and enforcement by the DIR. The County must withhold contract payments from the Contractor as directed by the DIR, pursuant to California Labor Code section 1727.

9. Contractor and Subcontractor Registration Requirements. The Contractor and all subcontractors shall not be qualified to bid on, be listed in a bid or proposal, subject to the requirements of California Public Contract Code section 4104, or engage in the performance of any contract for public work, unless currently registered and qualified to perform public work pursuant to California Labor Code section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by California Business and Professions Code section 7029.1 or California Public Contract Code sections 10164 or 20103.5, provided the Contractor is registered to perform public work pursuant to section 1725.5 at the time the contract is awarded.

9.1. A Contractor's inadvertent error in listing a subcontractor who is not registered pursuant to California Labor Code section 1725.5 in response to a solicitation shall not be grounds for filing a protest or grounds for considering the bid or proposal non-responsive provided that any of the following apply: (1) the subcontractor is registered prior to the proposal due date; (2) within 24 hours after the proposal due date, the subcontractor is registered and has paid the penalty registration fee specified in California Labor Code section 1725.5; or (3) the subcontractor is replaced by another registered subcontractor pursuant to California Public Contract Code section 4107.

9.2. By submitting a bid or proposal to the County, the Contractor is certifying that the Contractor has verified that all subcontractors used on this project are registered with the DIR in compliance with California Labor Code sections 1771.1 and 1725.5. The Contractor shall provide proof of registration for themselves and all listed subcontractors to the County at the time of the bid or proposal due date or upon request.

9.3. The County may ask the Contractor for the most current list of subcontractors (regardless of tier), along with their DIR registration numbers, utilized on this project at any time during performance of this Agreement, and the Contractor shall provide the list within ten (10) working days of the County's request.

9.4. This section shall not apply to work performed on a public works project of twenty-five thousand dollars (\$25,000) or less when the project is for construction, alteration, demolition, installation, or repair work or to work performed on a public works project of fifteen thousand dollars (\$15,000) or less when the project is for maintenance work, pursuant to California Labor Code sections 1725.5(f) and 1771.1(n).

10. Stop Order. Where a contractor or subcontractor engages in the performance of any public work contract without having been registered in violation of California Labor Code sections 1725.5 or 1771.1, the Labor Commissioner must issue and serve a stop order prohibiting the use of the unregistered contractor or subcontractor on ALL public works until the unregistered contractor or subcontractor is registered. Failure to observe a stop order is a misdemeanor.
