Southbound Monticello Rd traffic will be detoured using Vichy Ave and Hagen Rd during the impact time. The northbound lane of Silverado Trail between Trancas St and Wapoo Hill Rd will be closed to all traffic during this time. Northbound through traffic should use Hwy 29 during the event time. CHP will lead escorted local traffic for residents and workers in the southbound lane during the event. Winery workers needing access during the impact times can request a worker permit. To obtain permits, please contact raceinfo@wineshinehalfmarathon.org

The accompanying 3.9 mile race will run a counter-clockwise loop around Silverado Resort on Atlas Peak Rd, Hillcrest Dr, and Westgate Dr. Runners will run against traffic in the bike lane/shoulder and roads will remain open to vehicles.
