AGREEMENT NO. _____**

PROFESSIONAL SERVICES AGREEMENT

THIS AGREEMENT is made and entered into this ____ day of _____, 2022, by and between the LAKE BERRYESSA RESORT IMPROVEMENT DISTRICT, a special district of the State of California, hereinafter referred to as “DISTRICT,” and GHD, Inc., a California corporation whose business address is 2235 Mercury Water Suite 150, Santa Rosa, CA 95407, hereinafter referred to as “CONTRACTOR.” DISTRICT and CONTRACTOR may be referred to below individually as “Party” and collectively as “Parties.”

RECITALS

WHEREAS, on July 11, 2021, the DISTRICT’s Raw Water Intake Facility was compromised and lost suction due to lowering water levels in Putah Creek caused by the 2021 statewide drought; and

WHEREAS, the DISTRICT requires professional service with expertise in hydrogeologic assessments for a potential new Putah Creek sub-alluvium water supply closer to Lake Berryessa that provides a sustainable source of supply through exceptional drought cycles and possibly a deep rock well to augment dry year supply options; and

WHEREAS, the CONTRACTOR is the sole party available to immediately perform the investigative work, while the District is experiencing stressed hydrology in the Upper Putah Creek basin and before water levels rise; and

WHEREAS, in light of the need to immediately perform the work before water levels rise, DISTRICT staff engaged the CONTRACTOR’s services based on the promise of payment of compensation to CONTRACTOR as set forth below and upon the terms and conditions set forth in this Agreement; and

WHEREAS, CONTRACTOR is and was willing to provide the required services to DISTRICT under the terms and conditions set forth herein and, due to exigent circumstances and the need to have the services performed before this Agreement could be prepared and put in place, but with the understanding that this Agreement would be entered into, CONTRACTOR commenced performance of the services required and is entitled to be compensated for the services rendered to date and any remaining services required and performed hereunder;

NOW, THEREFORE, DISTRICT hereby engages the services of CONTRACTOR, and CONTRACTOR agrees to serve DISTRICT in accordance with the terms and conditions set forth herein:

TERMS

1. **Term of the Agreement.** The term of this Agreement shall be effective on the date approved by the Governing Board and shall expire one year after completion of the Scope of Services, unless terminated earlier in accordance with Paragraphs 9 (Termination for Cause), 10 (Other Termination) or 23(a) (Covenant of No Undisclosed Conflict); except that the obligations of the Parties under Paragraphs 7 (Insurance) and 8 (Indemnification) shall continue in full force and effect after said expiration date or early termination in relation to acts or omissions occurring prior to such dates during the term of the Agreement, and the obligations of CONTRACTOR to DISTRICT shall also continue after said expiration date or early termination in relation to the obligations prescribed by Paragraphs 15 (Confidentiality), 20 (Taxes) and 21 (Access to Records/Retention).

2. **Scope of Services.** CONTRACTOR shall investigate potential secondary locations within the Putah Creek channel to extract water that are more drought resistant, as further described in Exhibit "A" and Attachment 1 attached hereto and hereby incorporated by reference.

(c) Maximum Amount. Notwithstanding subparagraphs (a) and (b), the maximum payments under this Agreement shall not exceed a total of One Hundred Eighty Three Thousand and Fifty-One Dollars (\$183,051.00) for professional services including all transportation expenses and tax; provided, however, that such amount shall not be construed as a guaranteed sum, and compensation shall be based upon services actually rendered and reimbursable expenses actually incurred.

4. **Method of Payment.**

(a) Invoices. All payments for compensation and reimbursement for expenses shall be made only upon presentation by CONTRACTOR to DISTRICT of an itemized billing invoice in a form acceptable to the Napa County Auditor which indicates, at a minimum, CONTRACTOR's name, address, Social Security or Taxpayer Identification Number, itemization of the hours worked or, where compensation is on a per-task basis, a description of the tasks completed during the billing period, the person(s) actually performing the services and the position(s) held by such person(s), and the approved hourly or task rate. CONTRACTOR shall submit once invoice to the District Engineer who, after review and approval as to form and content, shall submit the invoice to the Napa County Auditor no later than fifteen (15) calendar days following the date of the last signature to this Agreement.

So that DISTRICT may properly comply with its reporting obligations under federal and state laws pertaining to taxation, if CONTRACTOR is or becomes a corporation during the term of this Agreement, proof that such status is currently recognized by and complies with the laws of both the state of incorporation or organization and the State of

California, if different, shall be provided to the District Engineer upon request in a form satisfactory to the Napa County Auditor. Such proof shall include, but need not be limited to, a copy of any annual or other periodic filings or registrations required by the state of origin or California, the current address for service of process on the corporation or limited liability partnership, and the name of any agent designated for service of process by CONTRACTOR within the State of California.

5. **Independent Contractor.** CONTRACTOR shall perform this Agreement as an independent contractor. CONTRACTOR and the officers, agents and employees of CONTRACTOR are not, and shall not be deemed, DISTRICT employees for any purpose, including workers' compensation and employee benefits. CONTRACTOR shall, at CONTRACTOR's own risk and expense, determine the method and manner by which duties imposed on CONTRACTOR by this Agreement shall be performed; provided, however, that DISTRICT may monitor the work performed by CONTRACTOR. DISTRICT shall not deduct or withhold any amounts whatsoever from the compensation paid to CONTRACTOR, including, but not limited to amounts required to be withheld for state and federal taxes, unless required to do so by court order. As between the Parties to this Agreement, CONTRACTOR shall be solely responsible for all such payments.

6. [reserved]

7. **Insurance.** CONTRACTOR shall obtain and maintain in full force and effect throughout the term of this Agreement, and thereafter as to matters occurring during the term of this Agreement, the following insurance coverage:

(a) **Workers' Compensation insurance.** To the extent required by law during the term of this Agreement, CONTRACTOR shall provide workers' compensation insurance for the performance of any of CONTRACTOR's duties under this Agreement, including but not limited to, coverage for workers' compensation and employer's liability and a waiver of subrogation, and shall provide DISTRICT with certification of all such coverages upon request by DISTRICT's Risk Manager.

(b) **Liability insurance.** CONTRACTOR shall obtain and maintain in full force and effect during the term of this Agreement the following liability insurance coverages, issued by a company admitted to do business in California and having an A.M. Best rating of A:VII or better, or equivalent self-insurance:

(1) **General Liability.** Commercial general liability [CGL] insurance coverage (personal injury and property damage) of not less than ONE MILLION DOLLARS (\$1,000,000) combined single limit per occurrence, covering liability or claims for any personal injury, including death, to any person and/or damage to the property of any person arising from the acts or omissions of CONTRACTOR or any officer, agent, or employee of CONTRACTOR under this Agreement. If the coverage includes an aggregate limit, the aggregate limit shall be no less than twice the per occurrence limit.

(2) **Professional Liability/Errors and Omissions.** Professional liability [or errors and omissions] insurance for all activities of CONTRACTOR arising out of or in connection with this Agreement in an amount not less than ONE MILLION DOLLARS (\$1,000,000) per claim.

(3) Comprehensive Automobile Liability Insurance. Comprehensive automobile liability insurance (Bodily Injury and Property Damage) on owned, hired, leased and non-owned vehicles used in conjunction with CONTRACTOR's business of not less than ONE MILLION DOLLARS (\$1,000,000) combined single limit per occurrence. Coverage shall be business auto insurance coverage using Insurance Services Office (ISO) form number CA 0001 06 92 including symbol 1 (any Auto) or the exact equivalent. If CONTRACTOR owns no vehicles, this requirement may be satisfied by a non-owned auto endorsement to the General Liability Insurance described in subparagraph (b)(1) above. If CONTRACTOR or CONTRACTOR's employees, officers, or agents will use personal automobiles in any way in the performance of this Agreement, CONTRACTOR shall provide evidence of personal auto liability coverage for each such person upon request.

(c) **Certificates of Coverage.** All insurance coverages referenced in paragraph 7(b), above, shall be evidenced by one or more certificates of coverage or, with the consent of DISTRICT's Risk Manager, demonstrated by other evidence of coverage acceptable to DISTRICT's Risk Manager, which shall be filed by CONTRACTOR with the DISTRICT prior to commencement of performance of any of CONTRACTOR's duties.

(1) The certificate(s) or other evidence of coverage shall reference this Agreement by its DISTRICT number or title and department; shall be kept current during the term of this Agreement; shall provide that DISTRICT shall be given no less than thirty (30) days prior written notice of any non-renewal, cancellation, other termination, or material change, except that only ten (10) days prior written notice shall be required where the cause of non-renewal or cancellation is non-payment of premium; and shall provide that the inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, the coverage afforded applying as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the company's liability.

(2) **Waiver of Subrogation and Additional Insured Endorsements.** For the commercial general liability insurance coverage referenced in paragraph 7(b)(1) and, for the comprehensive automobile liability insurance coverage referenced in paragraph 7(b)(3) where the vehicles are covered by a commercial policy rather than a personal policy, CONTRACTOR shall also file with the evidence of coverage an endorsement from the insurance provider naming DISTRICT, its officers, employees, agents and volunteers as additional insureds and waiving subrogation. For the Workers Compensation insurance coverage, CONTRACTOR shall file with the evidence of coverage an endorsement waiving subrogation.

(3) The certificate or other evidence of coverage shall provide that if the same policy applies to activities of CONTRACTOR not covered by this Agreement, then the limits in the applicable certificate relating to the additional insured coverage of DISTRICT shall pertain only to liability for activities of CONTRACTOR under this Agreement, and that the insurance provided is primary coverage to DISTRICT with respect to any insurance or self-insurance programs maintained by DISTRICT. The additional insured endorsements for the general liability coverage shall use Insurance Services Office (ISO) Form No. CG 20 09 11 85 or CG 20 10 11 85, or equivalent, including (if used together) CG 2010 10 01 and CG 2037 10 01; but shall not use the following forms: CG 20 10 10 93 or 03 94.

(4) Upon request by DISTRICT's Risk Manager, CONTRACTOR shall provide or arrange for the insurer to provide within thirty (30) days of the request, certified copies of the actual insurance policies or relevant portions thereof.

(d) Deductibles/Retentions. Any deductibles or self-insured retentions shall be declared to DISTRICT's Risk Manager. At the option of and upon request by DISTRICT's Risk Manager if the Risk Manager determines that such deductibles or retentions are unreasonably high, CONTRACTOR shall provide financial assurance to be agreed upon by CONTRACTOR and DISTRICT.

(e) Inclusion in Subcontracts. CONTRACTOR agrees to require all subcontractors and any other entity or person who is involved in providing services under this Agreement to comply with the Workers Compensation and General Liability insurance requirements set forth in this Paragraph 7.

8. Hold Harmless/Defense/Indemnification.

(a) In General. To the full extent permitted by law, CONTRACTOR shall indemnify, and hold harmless the DISTRICT and its officers, agents, employees, volunteers or representatives from and against any and all liability, claims, actions, proceedings, losses, injuries, damages or expenses of every name, kind, and description, including litigation costs and reasonable attorney's fees incurred in connection therewith, brought for or on account of, personal injury (including death), including but not limited to DISTRICT employees, and the public, or damage to the property of any person or entity, which arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of CONTRACTOR, its officers, agents, employees, volunteers, representatives, contractors and subcontractors. This duty of CONTRACTOR includes the duty of defense, inclusive of that set forth in California Civil Code Section 2778. Each Party shall notify the other Party immediately in writing of any claim or damage related to activities performed under this Agreement. The Parties shall cooperate with each other in the investigation and disposition of any claim arising out of the activities under this Agreement, providing that nothing shall require either Party to disclose any documents, records or communications that are protected under peer review privilege, attorney-client privilege, or attorney work product privilege.

(b) Employee Character and Fitness. CONTRACTOR accepts responsibility for determining and approving the character and fitness of its employees (including volunteers, agents or representatives) to provide the services required of CONTRACTOR under this Agreement, including completion of a satisfactory criminal/background check and period rechecks to the extent permitted by law. Notwithstanding anything to the contrary in this Paragraph, CONTRACTOR shall hold DISTRICT and its officers, agents and employees harmless from any liability for injuries or damages resulting from a breach of this provision or CONTRACTOR's actions in this regard.

9. Termination for Cause. If either Party shall fail to fulfill in a timely and proper manner that Party's obligations under this Agreement or otherwise breach this Agreement and fail to cure such failure or breach within ten (10) days of receipt of written notice from the other Party describing the nature of the breach, the non-defaulting Party may, in addition to any other remedies it may have, terminate this Agreement by giving five (5) days prior written notice to the defaulting Party in the manner set forth in Paragraph 13 (Notices). The DISTRICT's Purchasing Agent or designee pursuant to Napa County Code section 2.36.050 is hereby authorized to make all decisions and take all actions required under this Paragraph to terminate this Agreement on behalf of DISTRICT for cause.

10. **Other Termination.** This Agreement may be terminated by either Party for any reason and at any time by giving prior written notice of such termination to the other Party specifying the effective date thereof at least thirty (30) days prior to the effective date, as long as the date the notice is given and the effective date of the termination are in the same fiscal year; provided, however, that no such termination may be effected by DISTRICT unless an opportunity for consultation is provided prior to the effective date of the termination. DISTRICT hereby authorizes the Napa County Executive Officer to make all decisions and take all actions required under this Paragraph to terminate this Agreement on behalf of DISTRICT for the convenience of DISTRICT.

11. **Disposition of, Title to and Payment for Work upon Expiration or Termination.**

(a) Upon expiration of this Agreement or termination for cause under Paragraph 9 or termination for convenience of a Party under Paragraph 10:

(1) To the extent CONTRACTOR has provided services through Software and Applications materials licensed to DISTRICT, DISTRICT shall promptly return the Software and Application materials to CONTRACTOR. In addition, to the extent CONTRACTOR maintains DISTRICT data on those portions of digital software hosted by CONTRACTOR and not controlled by DISTRICT (“DISTRICT data”), CONTRACTOR shall promptly return DISTRICT data to DISTRICT Information Technology Department (ITS) in a format designated by ITS and shall subsequently purge DISTRICT data from CONTRACTOR’s systems upon confirmation from DISTRICT that the copy of the data provided to DISTRICT is comprehensive of the data previously hosted by CONTRACTOR.

(2) All finished or unfinished documents and other materials, if any, and all rights therein shall become, at the option of DISTRICT, the property of and shall be promptly returned to DISTRICT, although CONTRACTOR may retain a copy of such work for its personal records only, except as otherwise provided under Paragraph 15 (Confidentiality) of this Agreement. Unless otherwise expressly provided in this Agreement, any copyrightable or patentable work created by CONTRACTOR under this Agreement shall be deemed a “work made for hire” for purposes of copyright or patent law and only DISTRICT shall be entitled to claim or apply for the copyright or patent thereof. Notwithstanding the foregoing and to the extent services under this Agreement involve the development of previously patented inventions or copyrighted software, then upon expiration or termination of this Agreement, title to, ownership of, and all applicable patents, copyrights and trade secrets in the products developed or improved under this Agreement, shall remain with CONTRACTOR or any other person or entity if such person previously owned or held such patents, copyrights, and trade secrets, and such persons shall retain complete rights to market such product; provided, however, that DISTRICT shall receive, at no additional cost, a perpetual license to use such products for its own use or the use of any consortium or joint powers agency to which DISTRICT is a party. If the product involves a source code, CONTRACTOR shall either provide a copy of the source code to DISTRICT or shall place the source code in an escrow account, at CONTRACTOR's expense, from which the source code may be withdrawn and used by DISTRICT for the sole purpose of maintaining and updating the system dependent upon such code when such use is necessary to prevent loss of service to DISTRICT.

(b) CONTRACTOR shall be entitled to receive compensation for any satisfactory work completed prior to expiration or receipt of the notice of termination or commenced prior to receipt of the notice of termination and completed satisfactorily prior to the effective date of the

termination; except that CONTRACTOR shall not be relieved of liability to DISTRICT for damages sustained by DISTRICT by virtue of any breach of the Agreement by CONTRACTOR whether or not the Agreement expired or otherwise terminated, and DISTRICT may withhold any payments not yet made to CONTRACTOR for purpose of setoff until such time as the exact amount of damages due to DISTRICT from CONTRACTOR is determined.

12. **No Waiver.** The waiver by either Party of any breach or violation of any requirement of this Agreement shall not be deemed to be a waiver of any such breach in the future, or of the breach of any other requirement of this Agreement.

13. **Notices.** All notices required or authorized by this Agreement shall be in writing and shall be delivered in person or by deposit in the United States mail, by certified mail, postage prepaid, return receipt requested. Any mailed notice, demand, request, consent, approval or communication that either Party desires to give the other Party shall be addressed to the other Party at the address set forth below. Either Party may change its address by notifying the other Party of the change of address. Any notice sent by mail in the manner prescribed by this paragraph shall be deemed to have been received on the date noted on the return receipt or five days following the date of deposit, whichever is earlier.

14. **Compliance with DISTRICT Policies on Waste, Harassment, Drug/Alcohol-Free Workplace, and Computer Use.** CONTRACTOR hereby agrees to comply, and require its employees and subcontractors to comply, with the following policies, copies of which are on file with the Clerk of the Board of Supervisors and incorporated by reference herein. CONTRACTOR also agrees that it shall not engage in any activities, or permit its officers, agents and employees to do so, during the performance of any of the services required under this Agreement, which would interfere with compliance or induce violation of these policies by DISTRICT employees or contractors.

(a) Waste Source Reduction and Recycled Product Content Procurement Policy adopted by resolution of the Board of Supervisors on March 26, 1991.

(b) County of Napa "Policy for Maintaining a Harassment and Discrimination Free Work Environment" revised effective August 23, 2005.

(c) County of Napa Drug and Alcohol Policy adopted by resolution of the Board of Supervisors on June 25, 1991.

(d) Napa County Information Technology Use and Security Policy adopted by resolution of the Board of Supervisors on April 17, 2001. To this end, all employees and subcontractors of CONTRACTOR whose performance of services under this Agreement requires access to any portion of the DISTRICT computer network shall sign and have on file with DISTRICT's ITS Department prior to receiving such access the certification attached to said Policy.

(e) Napa County Workplace Violence Policy, adopted by the BOS effective May 23, 1995 and subsequently revised effective November 2, 2004, which is located in the County of Napa Policy Manual Part I, Section 37U.

15. **Prevailing Wage Requirements.** The scope of services includes “public works” as defined in the California Labor Code. CONTRACTOR shall comply with all State prevailing wage requirements, including but not limited to, those set forth in Exhibit B.

16. **No Assignments or Subcontracts.**

(a) In general. A consideration of this Agreement is the personal reputation of CONTRACTOR; therefore, CONTRACTOR shall not assign any interest in this Agreement or subcontract any of the services CONTRACTOR is to perform hereunder without the prior written consent of DISTRICT, which shall not be unreasonably withheld. The inability of the assignee to provide personnel equivalent in experience, expertise, and numbers to those provided by CONTRACTOR, or to perform any of the remaining services required under this Agreement within the same time frame required of CONTRACTOR shall be deemed to be reasonable grounds for DISTRICT to withhold its consent to assignment. For purposes of this subparagraph, the consent of DISTRICT may be given by the District Engineer.

(b) Effect of Change in Status. If CONTRACTOR changes its status during the term of this Agreement from or to that of a corporation, limited liability partnership, limited liability company, general partnership, or sole proprietorship, such change in organizational status shall be viewed as an attempted assignment of this Agreement by CONTRACTOR. Failure of CONTRACTOR to obtain approval of such assignment under this Paragraph shall be viewed as a material breach of this Agreement.

17. **Amendment/Modification.** Except as specifically provided herein, this Agreement may be modified or amended only in writing and with the prior written consent of both Parties. In particular, only DISTRICT, through its Purchasing Agent or designee (as long as the total contract term, including all renewals, does not exceed three (3) years and the annual aggregate compensation paid to CONTRACTOR by DISTRICT under this agreement will not exceed \$73,400), or through its Governing Board (in all other instances), in the form of an amendment of this Agreement, may authorize extra and/or changed work if beyond the scope of services in section 2 of this Agreement. Failure of CONTRACTOR to secure such authorization in writing in advance of performing any of the extra or changed work shall constitute a waiver of any and all rights to adjustment in the contract price or contract time and no compensation shall be paid for such extra work.

18. **Interpretation; Venue.**

(a) Interpretation. The headings used herein are for reference only. The terms of the Agreement are set out in the text under the headings. This Agreement shall be governed by the laws of the State of California without regard to the choice of law or conflicts.

(b) Venue. This Agreement is made in Napa County, California. The venue for any legal action in state court filed by either Party to this Agreement for the purpose of interpreting or enforcing any provision of this Agreement shall be in the Superior Court of California, County of Napa, a unified court. The venue for any legal action in federal court filed by either Party to this Agreement for the purpose of interpreting or enforcing any provision of this Agreement

lying within the jurisdiction of the federal courts shall be the Northern District of California. The appropriate venue for arbitration, mediation or similar legal proceedings under this Agreement shall be Napa County, California; however, nothing in this sentence shall obligate either Party to submit to mediation or arbitration any dispute arising under this Agreement.

19. **Compliance with Laws.** CONTRACTOR shall observe and comply with all applicable Federal, State and local laws, ordinances, and codes. Such laws shall include, but not be limited to, the following, except where prohibited by law:

(a) Non-Discrimination. During the performance of this Agreement, CONTRACTOR and its subcontractors shall not deny the benefits thereof to any person on the basis of race, color, ancestry, national origin or ethnic group identification, religion or religious creed, gender or self-identified gender, sexual orientation, marital status, age, mental disability, physical disability, genetic information, or medical condition (including cancer, HIV and AIDS), or political affiliation or belief, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, color, ancestry, national origin or ethnic group identification, religion or religious creed, gender or self-identified gender, sexual orientation, marital status, age (over 40), mental disability, physical disability, genetic information, or medical condition (including cancer, HIV and AIDS), use of family care leave, or political affiliation or belief. CONTRACTOR shall ensure that the evaluation and treatment of employees and applicants for employment are free of such discrimination or harassment. In addition to the foregoing general obligations, CONTRACTOR shall comply with the provisions of the Fair Employment and Housing Act (Government Code section 12900, et seq.), the regulations promulgated thereunder (Title 2, California Code of Regulations, section 7285.0, et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (sections 11135-11139.5) and any state or local regulations adopted to implement any of the foregoing, as such statutes and regulations may be amended from time to time. To the extent this Agreement subcontracts to CONTRACTOR services or works required of DISTRICT by the State of California pursuant to agreement between DISTRICT and the State, the applicable regulations of the Fair Employment and Housing Commission implementing Government Code section 12990 (a) through (f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations are expressly incorporated into this Agreement by reference and made a part hereof as if set forth in full, and CONTRACTOR and any of its subcontractors shall give written notice of their obligations thereunder to labor organizations with which they have collective bargaining or other agreements.

(b) Documentation of Right to Work. CONTRACTOR agrees to abide by the requirements of the Immigration and Control Reform Act pertaining to assuring that all newly-hired employees of CONTRACTOR performing any services under this Agreement have a legal right to work in the United States of America, that all required documentation of such right to work is inspected, and that INS Form 1-9 (as it may be amended from time to time) is completed and on file for each employee. CONTRACTOR shall make the required documentation available upon request to DISTRICT for inspection.

(c) Inclusion in Subcontracts. To the extent any of the services required of CONTRACTOR under this Agreement are subcontracted to a third party, CONTRACTOR shall include all of the provisions of this Paragraph 19 in all such subcontracts as obligations of the subcontractor.

20. **Taxes.** CONTRACTOR agrees to file federal and state tax returns or applicable withholding documents and to pay all applicable taxes or make all required withholdings on amounts paid pursuant to this Agreement and shall be solely liable and responsible to make such withholdings and/or pay such taxes and other obligations including, without limitation, state and federal income and FICA taxes. CONTRACTOR agrees to indemnify and hold DISTRICT harmless from any liability it may incur to the United States or the State of California as a consequence of CONTRACTOR's failure to pay or withhold, when due, all such taxes and obligations. In the event that DISTRICT is audited for compliance regarding any withholding or other applicable taxes or amounts, CONTRACTOR agrees to furnish DISTRICT with proof of payment of taxes or withholdings on those earnings.

21. **Access to Records/Retention.** DISTRICT, any federal or state grantor agency funding all or part of the compensation payable hereunder, the State Controller, the Comptroller General of the United States, or the duly authorized representatives of any of the above, shall have access to any books, documents, papers and records of CONTRACTOR which are directly pertinent to the subject matter of this Agreement for the purpose of making audit, examination, excerpts and transcriptions. Except where longer retention is required by any federal or state law, CONTRACTOR shall maintain all required records for at least seven (7) years after DISTRICT makes final payment for any of the work authorized hereunder and all pending matters are closed, whichever is later.

22. **Authority to Contract.** CONTRACTOR and DISTRICT each warrant hereby that they are legally permitted and otherwise have the authority to enter into and perform this Agreement.

23. **Conflict of Interest.**

(a) Covenant of No Undisclosed Conflict. The Parties to the Agreement acknowledge that they are aware of the provisions of Government Code section 1090, et seq., and section 87100, et seq., relating to conflict of interest of public officers and employees. CONTRACTOR hereby covenants that it presently has no interest not disclosed to DISTRICT and shall not acquire any interest, direct or indirect, which would conflict in any material manner or degree with the performance of its services or confidentiality obligation hereunder, except as such as DISTRICT may consent to in writing prior to the acquisition by CONTRACTOR of such conflict. CONTRACTOR further warrants that it is unaware of any financial or economic interest of any public officer or employee of DISTRICT relating to this Agreement. CONTRACTOR agrees that if such financial interest does exist at the inception of this Agreement, DISTRICT may terminate this Agreement immediately upon giving written notice without further obligation by DISTRICT to CONTRACTOR under this Agreement.

(b) Statements of Economic Interest. CONTRACTOR acknowledges and understands that DISTRICT has developed and approved a Conflict of Interest Code as required by state law which requires CONTRACTOR to file with the Elections Division of the Napa County Assessor-Clerk Recorder "assuming office", "annual", and "leaving office" Statements of Economic Interest as a "consultant", as defined in section 18701(a)(2) of Title 2 of the California Code of Regulations, unless it has been determined in writing that CONTRACTOR has been hired to perform a range of duties so limited in scope as to not be required to fully comply with such disclosure obligation. By executing this Agreement, the District Engineer is

confirming the Scope of Services does not trigger a requirement for CONTRACTOR to file a statement of economic interests.

24. **Warranty.** CONTRACTOR shall perform the services consistent with the level of care, diligence, and skill ordinarily exercised by professional consultants performing the same or similar services under the same or similar circumstances at the same time and geographic location that the services are provided by CONTRACTOR.

25. **Third Party Beneficiaries.** Nothing contained in this Agreement shall be construed to create any rights in third parties and the Parties do not intend to create such rights.

26. **Attorney's Fees.** In the event that either Party commences legal action of any kind or character to either enforce the provisions of this Agreement or to obtain damages for breach thereof, the prevailing Party in such litigation shall be entitled to all costs and reasonable attorney's fees incurred in connection with such action.

27. **Severability.** If any provision of this Agreement, or any portion thereof, is found by any court of competent jurisdiction to be unenforceable or invalid for any reason, such provision shall be severable and shall not in any way impair the enforceability of any other provision of this Agreement.

28. **Entirety of Contract.** This Agreement, including any documents expressly incorporated by reference whether or not attached hereto, constitutes the entire agreement between the Parties relating to the subject of this Agreement and supersedes all previous agreements, promises, representations, understandings and negotiations, whether written or oral, among the Parties with respect to the subject matter hereof.

29. **Counterparts.** This Agreement may be executed in counterparts, which when taken together, shall constitute a single signed original as though all parties had executed the same page.

IN WITNESS WHEREOF, this Agreement is executed by the Lake Berryessa Resort Improvement District, acting by and through the Chair of the Governing Board, and by the Contractor through its duly authorized officers.

EXHIBIT “B”

CALIFORNIA PREVAILING WAGE REQUIREMENTS

Pursuant to California Labor Code sections 1720 and 1771, construction, alteration, demolition, installation, repair and maintenance work performed under this Agreement is subject to State prevailing wage laws. State prevailing wage laws require certain provisions be included in all contracts for public works. The Contractor and any subcontractors shall comply with State prevailing wage laws including but not limited to the requirements listed below.

1. Compliance with Prevailing Wage Requirements. Pursuant to California Labor Code sections 1720 through 1861, the Contractor and all subcontractors shall ensure that all workers who perform work under this Agreement are paid not less than the prevailing rate of per diem wages as determined by the Director of the California Department of Industrial Relations (DIR). This includes work performed during the design, site assessment, feasibility study, and other preconstruction phases of construction, including but not limited to inspection and land surveying work, regardless of whether any further construction work is conducted, and work performed during the post-construction phases of construction, including but not limited to all cleanup work at the jobsite.

1.1. Copies of such prevailing rate of per diem wages are on file at the Napa County Public Works Department and are available for inspection to any interested party on request. Copies of the prevailing rate of per diem wages also may be found at <http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm>. The Contractor and all subcontractors shall post a copy of the prevailing rate of per diem wages determination at each job site and shall make them available to any interested party upon request.

1.2. The wage rates determined by the DIR refer to expiration dates. If the published wage rate does not refer to a predetermined wage rate to be paid after the expiration date, then the published rate of wage shall be in effect for the life of this Agreement. If the published wage rate refers to a predetermined wage rate to become effective upon expiration of the published wage rate and the predetermined wage rate is on file with the DIR, such predetermined wage rate shall become effective on the date following the expiration date and shall apply to this Agreement in the same manner as if it had been published in said publication. If the predetermined wage rate refers to one or more additional expiration dates with additional predetermined wage rates, which expiration dates occur during the life of this Agreement, each successive predetermined wage rate shall apply to this Agreement on the date following the expiration date of the previous wage rate. If the last of such predetermined wage rates expires during the life of this Agreement, such wage rate shall apply to the balance of the Agreement.

2. Penalties for Violations. The Contractor and all subcontractors shall comply with California Labor Code section 1775 in the event a worker is paid less than the prevailing wage rate for the work or craft in which the worker is employed. This shall be in addition to any other applicable penalties allowed under California Labor Code sections 1720 through 1861.

3. Payroll Records. The Contractor and all subcontractors shall comply with California Labor Code section 1776, which generally requires keeping accurate payroll records, verifying and certifying payroll records, and making them available for inspection. The Contractor shall require all subcontractors to also comply with section 1776. The Contractor and all subcontractors shall furnish records specified in section 1776 on a monthly basis, both to the County and directly to the Labor Commissioner in the manner required by California Labor Code section 1771.4. The Contractor shall ensure its subcontractors prepare and submit payroll records to the County and the DIR as required by this section.

3.1. If the Contractor or a subcontractor is exempt from the DIR registration requirement pursuant to section 9.4 below, then the Contractor or such subcontractor is not required to furnish payroll records directly to the Labor Commissioner but shall retain the records for at least three years after completion of the work, pursuant to California Labor Code section 1771.4(a)(4).

3.2. The County may require the Contractor and its subcontractors to prepare and submit records specified in section 1776 to the County and the Labor Commissioner on a weekly basis, at no additional cost to the County.

4. Apprentices. The Contractor and all subcontractors shall comply with California Labor Code sections 1777.5, 1777.6 and 1777.7 concerning the employment and wages of apprentices. The Contractor is responsible for compliance with this section for all apprenticeable occupations pursuant to California Labor Code section 1777.5(n).

5. Working Hours. The Contractor and all subcontractors shall comply with California Labor Code sections 1810 through 1815, including but not limited to: (i) restrict working hours on public works contracts to eight hours a day and forty hours a week, unless all hours worked in excess of 8 hours per day are compensated at not less than 1½ times the basic rate of pay; and (ii) specify penalties to be imposed on contractors and subcontractors of \$25 per worker per day for each day the worker works more than 8 hours per day and 40 hours per week in violation of California Labor Code sections 1810 through 1815.

6. Required Provisions for Subcontracts. The Contractor shall include, at a minimum, a copy of the following provisions in any contract they enter into with a subcontractor: California Labor Code sections 1771, 1771.1, 1775, 1776, 1777.5, 1810, 1813, 1815, 1860 and 1861.

7. Labor Code Section 1861 Certification. In accordance with California Labor Code section 3700, the Contractor is required to secure the payment of compensation of its employees. By signing the Agreement, to which this is an exhibit, the Contractor certifies that:

“I am aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for workers’ compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this Agreement.”

8. Compliance Monitoring and Enforcement. This project is subject to compliance monitoring and enforcement by the DIR. The County must withhold contract payments from the Contractor as directed by the DIR, pursuant to California Labor Code section 1727.

9. Contractor and Subcontractor Registration Requirements. The Contractor and all subcontractors shall not be qualified to bid on, be listed in a bid or proposal, subject to the requirements of California Public Contract Code section 4104, or engage in the performance of any contract for public work, unless currently registered and qualified to perform public work pursuant to California Labor Code section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by California Business and Professions Code section 7029.1 or California Public Contract Code sections 10164 or 20103.5, provided the Contractor is registered to perform public work pursuant to section 1725.5 at the time the contract is awarded.

9.1. A Contractor's inadvertent error in listing a subcontractor who is not registered pursuant to California Labor Code section 1725.5 in response to a solicitation shall not be grounds for filing a protest or grounds for considering the bid or proposal non-responsive provided that any of the following apply: (1) the subcontractor is registered prior to the proposal due date; (2) within 24 hours after the proposal due date, the subcontractor is registered and has paid the penalty registration fee specified in California Labor Code section 1725.5; or (3) the subcontractor is replaced by another registered subcontractor pursuant to California Public Contract Code section 4107.

9.2. By submitting a bid or proposal to the County, the Contractor is certifying that the Contractor has verified that all subcontractors used on this project are registered with the DIR in compliance with California Labor Code sections 1771.1 and 1725.5. The Contractor shall provide proof of registration for themselves and all listed subcontractors to the County at the time of the bid or proposal due date or upon request.

9.3. The County may ask the Contractor for the most current list of subcontractors (regardless of tier), along with their DIR registration numbers, utilized on this project at any time during performance of this Agreement, and the Contractor shall provide the list within ten (10) working days of the County's request.

9.4. This section shall not apply to work performed on a public works project of twenty-five thousand dollars (\$25,000) or less when the project is for construction, alteration, demolition, installation, or repair work or to work performed on a public works project of fifteen thousand dollars (\$15,000) or less when the project is for maintenance work, pursuant to California Labor Code sections 1725.5(f) and 1771.1(n).

10. Stop Order. Where a contractor or subcontractor engages in the performance of any public work contract without having been registered in violation of California Labor Code sections 1725.5 or 1771.1, the Labor Commissioner must issue and serve a stop order prohibiting the use of the unregistered contractor or subcontractor on ALL public works until the unregistered contractor or subcontractor is registered. Failure to observe a stop order is a misdemeanor.

**Re: Exhibit A – GHD Scope of Work and Fee Estimate
Hydrogeological Assessment & Source Water Supply Exploration for
Lake Berryessa Resort Improvement District**

GHD Inc. (GHD) is pleased to provide the Lake Berryessa Resort Improvement District (herein LBRID or “the Client”) with this scope of work (SOW) and fee estimate for hydrogeological services to be completed under a new professional services agreement. GHD’s proposed services under this SOW and associated fee are described in the following sections.

1. Project Information

Project Title: LBRID Hydrogeological Assessment

Project Site: Adjacent to Putah Creek, at the northwestern arm of Lake Berryessa, Napa, California.

Client: County of Napa Department of Public Works for LBRID

Client Contact:

Chris Silke,
County of Napa Department of Public Works, Water Resources & RIDs Engineering Manager
Lake Berryessa Resort Irrigation District
Facility located at 2446 Stagecoach Canyon Road, Napa, California
Email: Christopher.Silke@countyofnapa.org
Phone: 707-299-1755

2. Scope of Services

GHD understands that the Client needs to develop resiliency into their water supply source(s) for their District stakeholders to sufficiently have water supply through various climatic conditions and anticipated peak water demand scenarios. The existing source water is at high risk for deficits during drought and low lake elevation periods, which in turn is compounded with higher operation and maintenance costs during those time periods. The Client wants to identify potential secondary locations within the Putah Creek channel for executing their water rights, methods of extraction for surface water intake, as well as exploring the potential for augmenting and diversifying their source water with groundwater supplies.

Task 1: Project Management and Desktop Review of Available Information

This task includes time for project set-up and management, as well as Client and regulatory meetings, discussions of permitting, field staff and subcontractor calls and strategic planning for all phases of the proposed work below. All work will be overseen by a California Licensed Professional Geologist (PG) with broad experience in all types of source water supply asset designs, drilling methods, and contractor and construction management. Additionally, GHD will review available geological, hydrological, topographic,

surveys, and satellite data of the Site prior to any task. This information will be used for meetings with the Client and regulating agencies to discuss project needs, project drivers, water system infrastructure planning, as well as aiding in the preparation of field and deliverable maps and figures. All meetings will be held onsite or via MS Teams or Zoom.

Assumptions

- Client to provide GHD with any previous and relevant subsurface soil and water investigations, maps or descriptions of existing source water supply location and associated distribution system, and future peak water demands.
- Meetings will be held onsite or virtual using either MS Teams or Zoom.

Task 2: Geophysical Survey

Per previous conversations with the Client in developing high priority alternative intake locations in the Putah Creek fluvial channel deposits, GHD will oversee NorCal Geophysical Consultants Inc. (NorCal) in the performance of a combination high-resolution seismic refraction (SR) and electrical resistivity (ERP) survey. The purpose of the geophysical survey is to assess the thickness of the fluvial packages overlying the bedrock for suitable locations for consideration of alternate slant well water intake (or comparable) design and provide potential targets for subsequent boring and creek underflow sampling. The results of the site visit will be summarized in a Technical Memorandum including recommended locations for borings. The recommendations and map locations will be reviewed with the client and finalized.

Deliverables

- Technical Memorandum summarizing geophysical survey findings, with a proposed Putah Creek borings targets map (.pdf) with sampling recommendations and methodologies. All deliverables will be submitted electronically to client for review. One set of consolidated comments will be incorporated into the final Technical Memorandum (TM) provided electronically to the Client.

Assumptions

- Client to provide GHD and subcontractors reasonable access to the Site.
- One Site visit from GHD with geophysics subcontractor, subcontractor would take 2-4 days to execute surveys.

Task 3: Shallow Alluvium Exploratory Drilling and Sampling

GHD will oversee the shallow drilling with use of a track mounted sonic drilling rig along locations previously identified from geophysical surveys and findings potentially suitable for alternate water supply intake locations and designs. The drill rig will drill up to 25-feet below the ground surface (bgs) at two (2) locations and install test wells for groundwater quality and capacity testing. If substantial water is encountered at the alluvium-bedrock interface, depth-to-water (DTW) bgs will be measured, groundwater will be pumped to see if water levels substantially drop and/or recover rapidly, and samples will be collected for potential Title 22 water quality analysis after discussions with the Client. A licensed GHD surveyor will locate the geophysical cross-sections and Geoprobe sampling locations such that the depth to bedrock and DTW can be referenced to the vertical Datum NAVD88 within 0.10' and subsequently correlated to the current and historical Lake Berryessa surface water elevations.

2.1.1 Deliverables

- One (1) Technical Memorandum with field findings of Putah Creek underflow conditions encountered, source water quality sampling results, boring logs, well construction logs, and a site Map (.pdf), including survey data, bedrock elevations estimated to NAVD88 vertical datum submitted draft and final Client.

Assumptions

- Client to provide GHD and subcontractors reasonable access to the Site.
- Two Site visits from GHD with drilling subcontractor, subcontractor would take 2-3 days to execute drilling, pumping, and sampling.

Task 4: Bedrock Exploratory Drilling and Sampling

GHD will oversee deeper bedrock drilling with use of a hard rock drill rig capable of drilling up to 300-feet at up to two (2) locations at locations previously identified from discussions with the Client and GHD licensed geologists and engineers. A GHD geologist will log the drill cuttings, cores, and note any contacts, changes, DTW, or evidence of sufficient water in subsurface conditions down to 300-feet bgs. Once the final depth of the boring is completed, the drill rig will pump water, or pneumatically blow water out of the boring for capacity estimates, groundwater recharge condition observations, and potential Title 22 water quality sampling after a discussion of the preliminary findings and go-ahead from the Client.

2.1.2 Deliverables

- One (1) Technical Memorandum with field findings of groundwater conditions encountered, field data collection sheets, field boring logs, and groundwater water quality sampling results, Site Map (.pdf), including potential well design/development recommendations, submitted draft and final to Client.

Assumptions

- Client to provide GHD and subcontractors reasonable access to the Site.
- Site visits from GHD overseeing drilling subcontractor, subcontractor would take 5-10 days to execute drilling and sampling depending on subsurface conditions encountered.

3. Scope Details

This SOW is based on the following information and assumptions that additionally define GHD's SOW. Services or deliverables that are not explicitly described herein are excluded from this SOW.

4. Schedule

A general schedule for the project has not been established. However, GHD will make every reasonable effort to get the work initiated within 10 working days from the notice to proceed (NTP), and between tasks. The timeline for completion of GHD's SOW is dependent on GHD receipt of a signed agreement and NTP from the Client and subcontractor scheduling. GHD's work is additionally dependent on access to the project site as well as timely receipt of requested data and information from the Client.

5. Compensation

The SOW described herein will be completed on a time and materials, as needed, basis (T&M) up to the maximum fee noted herein. The fees noted below are estimates of the level of effort anticipated to complete each task. The actual effort expended to complete a given task may be less than that noted below, and budgets may be shifted between tasks. The total T&M fee will not be exceeded without Client authorization. The estimated level of effort associated with each proposed task is noted in the following table:

Table 5.1 Fee Estimate

Task	Estimated Subtotal
PM Management/Desktop Study	\$10,101
Geophysical Survey	\$30,817
Initial Geophysical Survey Results Technical Memorandum with Exploratory Drilling Recommendations	\$5,153
Exploratory Drilling (Test Wells Installation, Rotary/Hammer Hard Rock) for Supply Locations, Two Summary TMs	\$129,766
Survey Test Wells for Elevation Controls	\$7,214
Total T&M Not-to-Exceed Fee	\$183,051

Hourly rates will be charged in accordance with the GHD fee schedule applicable at the time of contracting. The current fee schedule will be attached to our professional services agreement. This SOW is offered under the assumption that our professional surveying services and drilling subcontractors will be performed on a prevailing wage basis, as we understand that work is subject to prevailing wage rates.

6. Closing

Thank you for the opportunity to provide GHD's services to the Client in association with this project. Please contact me if you have any questions or concerns regarding our SOW or the services agreement.

Best regards,

GHD Inc.
