Community Participation

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

I greatly value Libraries, growing up we went to one weekly. While now I mostly grow my own library, I still value them greatly. I want to support the mission of libraries as being third places and hubs of the community. I think I have some skills from my professional life (large meeting running, tech insights) which could be useful.

Nature of activity and community location

I live in Angwin.
