Community Participation

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

I am passionate about fostering community engagement, lifelong learning, and access to knowledge for all. As someone who values the transformative power of libraries, I want to contribute my skills and experiences to support the Napa County Library mission. Since submitting my original application a year ago, I have become a literacy tutor at the Literacy Center of the Napa County Library, which has given me a deeper, hands-on understanding of the library's role in supporting learning and strengthening community connections. I now also serve as a member of the Napa County Chapter of the Civil Grand Jurors' Association of California, where I am engaged in promoting civic awareness, accountability, and public participation. These experiences have further reinforced my commitment to public service and broadened my perspective on how institutions like the library contribute to an informed and empowered community. Joining the Napa County Library Commission would allow me to advocate for initiatives that enhance library services, promote literacy, and create inclusive spaces where everyone feels welcome. I am eager to collaborate with others who share this vision and work together to strengthen our community through the library system.
