Dear Supervisors Ryan Gregory, Joelle Gallagher, Anne Cottrell, Alfredo Pedroza, and Belia Ramos;

This letter is a personal recommendation for Mr. Eduardo Moreno for appointment to fill one of our vacancies on the Napa County Veterans' Commission. He is a man who has served our country during challenging times and has a keen and deeply personal understanding of Veterans needs. This alone makes him a perfect fit for this role.

I have seen him demonstrate his strengths in leadership, productive collaboration, and problem solving. He is intelligent and has high moral standards. He is highly organized and dedicated in everything that he does, and because of that dedication, I believe he will have a positive and significant impact on our Commission that will last for years to come.

With all of this said, I believe he is uniquely qualified to fill one of our vacancies and to serve on the Napa County Veterans' Commission and I would be truly grateful for his appointment to the Commission and honored to serve alongside him in that capacity.

If you have any questions about my recommendation for Mr. Ed Moreno, please feel free to reach out to me at [REDACTED] or by [REDACTED].

With warmest appreciation for your excellence in service to our community,

Rose Sheehan
