For Conflict of Interest purposes

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.*

I have lived in Napa Valley since 1987, with the exception of an 18-month job in Oregon. I grew up in farming, having lived on a dairy farm and worked in the family orchard business. My professional life has centered around viticulture and winemaking. The two most important assets in winemaking are vineyards and people. I want to make a contribution to the Napa Valley and an impact on individuals, families, and the community. Housing is an important issue in Napa Valley. Adequate housing and healthcare for the people who tend our grapevines and make our wine is vital to the success of the Napa Valley. Having grown up in a small farming community, lived and worked in a major European city and viticultural region, and owning two houses in Napa Valley gives me a good perspective and platform to contribute significantly to the Housing Commission.
