EXHIBIT “B”

SECURUS TECHNOLOGIES RATE SHEET

BACKGROUND:

On May 24, 2021, the Federal Communications Commission (“FCC”) released its Third Report and Order, Order on Reconsideration, and Fifth Further Notice of Proposed Rulemaking (the “FCC Order”). On August 23, 2021, the California Public Utilities Commission (“CPUC”) issued its Decision in Docket Number R.20-10-002 (the “CPUC Order”). The FCC Order and CPUC Order each mandate a number of changes which significantly impact the delivery of telephone services to incarcerated individuals. Unlike prior FCC action in this area, the FCC Order was unanimous and bipartisan. The CPUC Order was unanimous.

This Addendum includes a number of changes which are agreed by the parties in response to the FCC Order and the CPUC Order.

CONTRACT CHANGES:

1. Notwithstanding anything in the Agreement to the contrary, on or before October 7, 2021:
 - a. if COUNTY has domestic calling rates that exceed \$0.07 per minute, those rates will be reduced to \$0.07 per minute;
 - b. if such rates exceed applicable federal or state rate caps, CONTRACTOR will charge international calling rates equal to or less than the rate caps;
 - c. if currently charged, CONTRACTOR will no longer charge ancillary fees associated with calling services, such as automated and live agent funding fees, except as specifically permitted by the FCC Order and the CA PUC Order;
 - d. if commissions are in excess of \$0.02 per minute of the new calling rates, the commission percentage (for prepaid, collect, and debit calling) will be reduced to 28.5%, and, if applicable, the prepaid calling card discount will be reduced to 28.5%;
 - e. commissions will be paid on both interstate and intrastate calling traffic;
 - f. for international call traffic only, the per-minute amount paid by the CONTRACTOR as a pass through to its underlying wholesale international carriers to terminate international calls will not be commissionable;
 - g. if currently deployed, CONTRACTOR will no longer provide its AdvanceConnect Single Call feature; and
 - h. the following language is hereby removed from the Agreement: ***“*No commission shall be paid on revenue earned through the completion of interstate calls of any type.*”** To remain in compliance with current FCC rulings,

\$0.1689 per minute will be excluded from commissions starting on June 20, 2016.”

2. COUNTY agrees to update CONTRACTOR in the event its ADP becomes greater than or equal to 1,000. ADP is defined as “the sum of all inmates in a facility for each day of the preceding calendar year, divided by the number of days in the year.” 47 CFR § 64.6000.

Even if CONTRACTOR does not receive a signed Addendum, please be advised that CONTRACTOR must change the calling rates as described herein to be in compliance with applicable federal and state law and regulation and will do so on or before October 7, 2021.
