RE: Napa County's Representative on the Metropolitan Transportation Commission

Dear Ms. Hoskins:

I write to remind you that pursuant to the Metropolitan Transportation Commission's (MTC) enabling legislation at California Government Code Sec. 66500 *et seq.*, all MTC Commissioners are appointed to concurrent four-year terms. The current term of Napa County's representative on MTC, the Honorable Alfredo Pedroza, is set to expire on February 9, 2023.

Therefore, I have been requested by the Commission to ask you to remind the Napa County Board of Supervisors to instruct the City Selection Committee for the County of Napa to begin consideration of whether to nominate Mr. Pedroza for reappointment, and to furnish the Board with the names of three (3) nominees from which the Board shall appoint a representative to represent Napa County and serve a four-year term that will commence on February 10, 2023.

MTC Commission members may be elected or appointed officials, or members of the general public. Pursuant to Government Code Section 66504: "Commissioners shall be selected for their special familiarity with the problems and issues in the field of transportation."

MTC Commissioners should expect to serve on one or more of the Commission's standing, special or advisory committees. Usually, the Commission and each committee meet one or two times a month in San Francisco. From time to time, the Commission may conduct public hearings in the MTC region, which MTC Commissioners may be requested to attend. A \$100 per diem (up to a maximum of \$500 per month), plus Commission-authorized travel expenses, are paid to members for attendance at meetings of their committees, the Commission, and public hearings held by the Commission.
