Community Participation

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

I'm very excited to apply for the representative opening for County of Napa at the Library commission. I'm a long time advocate for learning and literacy with over 20 years of experience working in education industry and nonprofits advancing lifelong learning initiatives. I've worked at publishing company such as Pearson (parent company of Penguin & Random House) and also digital learning companies that provides free STEM contents for K12 children around the world. I'd like an opportunity to serve our community in areas of library programming for children and seniors, and long-term strategies in fund raising and community engagement.

Nature of activity and community location

I'm also serving as a Napa Advisory Board Member for the non-profit organization 10,000 Degrees, I develop programs supporting low-income, first-generation college students in Napa County to achieve college success. By providing mentoring, college application assistance, and career counseling, I help students overcome barriers to success. I also work on fundraising effort and building community engagements within Napa county.
