Hi Casey,

Please see the correspondence in this email. Adventist Health has agreed for us to sublease to Napa County- per this email. We are to provide them with a copy of the sublease and they will approve that. Do you need something else from them before that step?

Thanks,
Jenny

Thank you Britni. Should I provide the draft sublease to you when it's ready?

Hi Jenny, my apologies for not getting back to you last week.

Yes, you may share the lease with Napa County Health and Human Services at your own discretion.

Let me know if you need anything else.

Thank you!

Ok- do I have your permission to share our lease with Napa County Health & Human Services?

Thank you, Jenny.

Legal just reached out and asked that you please draft the sublease and AH will consent as per the lease.

Let me know if you have any questions!
