THIS AGREEMENT is made and entered into in Napa County, California, this 18th day of May, 2026, (“Effective Date”) by and between the Napa-Vallejo Waste Management Authority, a joint powers agency organized under the laws of the State of California, hereinafter referred to as “Authority,” and CliftonLarsonAllen LLP whose address is 915 Highland Pointe Drive, Suite 300, Roseville, CA 95678, hereinafter referred to as “Consultant.”

RECITALS

- B. Consultant was selected to provide professional services after a competitive process conducted pursuant to Napa County’s Request for Proposal number ACO022601, which included services to be provided to Authority.
- C. For good and valuable consideration, the sufficiency of which is acknowledged, Authority and Consultant agree as follows:

AGREEMENT

ARTICLE I – SCOPE OF SERVICES

1.1 Scope of Services. Consultant shall provide professional services to Authority as described in Exhibit A to this Agreement, and in accordance with the Contract Documents. The Contract Documents consist of this Agreement and its Exhibits, Request for Proposal number ACO022601 issued by County, and Consultant’s proposal or statement of qualifications

1.2 Schedule. Consultant shall perform and complete the scope of services in accordance with the schedule set forth in Exhibit A. Consultant shall further perform the scope of services in compliance with any interim milestones or deadlines, as may be set forth in Exhibit A. Time is of the essence in the performance of the scope of services.

1.3 Standard of Care. Consultant represents that the professional services rendered under this Agreement shall be performed in accordance with applicable professional standards. Consultant shall correct any professional services falling below this standard at its sole cost and expense, if notified by Authority within one year after completion of such services. This remedy is in addition to any other remedies that may be available to Authority in law or equity.

1.4 Correction of Deficient Services. Consultant shall take reasonable steps to commence correction of any services that fail to meet the standard of care within seven days of receipt of written notice from Authority unless otherwise agreed by the parties. If Consultant fails to commence such steps within the seven day or other agreed-upon period, Authority may, in addition to any other remedies provided under the Contract Documents, commence correction of such services without further written notice to Consultant. If Authority takes such corrective action, Consultant shall be responsible for all reasonable costs incurred by Authority in performing such correction, including but not limited to the cost of Authority staff time and the amount paid to another consultant to correct the deficient services.

1.5 Other Remedies. This Article applies only to Consultant's obligation to correct services that do not meet the standard of care and is not intended to constitute a period of limitations or waiver of any other rights or remedies Authority may have regarding the Consultant's other obligations under the Contract Documents or federal or state law.

1.6 Key Personnel. Key personnel identified in Consultant's proposal or statement of qualifications shall be the individuals who will actually perform the services. Changes in key personnel must be reported by Consultant in writing and approved by Authority.

1.7 Government Code Section 7550. Every document or report prepared by Consultant for or under the direction of Authority pursuant to this Agreement shall contain the numbers and dollar amounts of all contracts and subcontracts relating to the preparation of the document or written report if the total cost for the work performed by nonemployees of Authority exceeds five thousand dollars (\$5,000). The contract and subcontract numbers and dollar amounts shall be contained in a separate section of the document or written report. If multiple documents or written reports are the subject or product of this Agreement, the disclosure section may also contain a statement indicating that the total contract amount represents compensation for multiple documents or written reports.

ARTICLE II – DURATION OF AGREEMENT

2.1 Term of the Agreement. The term of this Agreement shall begin on the Effective Date entered on page 1 of this Agreement. This Agreement shall expire on December 31, 2028, unless extended or terminated earlier in accordance with this Article. This Agreement may be extended at the Authority's option on the same terms and conditions on or before May 31, 2028, for up to two additional years by providing written notice to Consultant.

2.2 Suspension for Convenience. Authority may suspend all or any portion of Consultant's performance under this Agreement at its sole option and for its convenience at no cost for a period of time not to exceed 60 days. Authority must give 10 days prior written notice to Consultant of such suspension. Authority may rescind the suspension prior to or at 60 days by providing Consultant with written notice of the rescission, at which time Consultant will be required to resume performance in compliance with the terms and provisions of this Agreement.

2.3 Termination for Convenience. Authority may terminate all or any portion of this Agreement at its sole option and for its convenience, by giving 30 days prior written notice of such termination to Consultant. The termination of the Agreement shall be effective 30 days after receipt of the notice by Consultant. After receipt of notice of termination of all or any portion of the Agreement, Consultant shall immediately discontinue all affected performance (unless the notice directs otherwise) and complete any additional work necessary for the orderly filing of documents and closing of Consultant's affected performance under the Agreement. Consultant shall deliver to Authority all data, drawings, specifications, reports, estimates, summaries, and such other information and materials created or received by Consultant in performing this Agreement, whether completed or unfinished. Consultant may keep copies for its own records. Authority shall pay Consultant for services satisfactorily provided before the effective date of termination, and reasonable costs incurred by Consultant in providing Authority with the data and documents required by this paragraph. Consultant shall not be compensated for lost or anticipated profit or overhead on the terminated portion of this Agreement.

2.4 Termination for Cause. Authority may terminate this Agreement for default if Consultant fails to satisfactorily perform any material obligation required by this Agreement. Default includes Consultant's failure to timely provide services in accordance with the schedule. If Consultant fails to satisfactorily cure a default within 10 days of receiving written notice from Authority specifying the nature of the default, Authority may immediately terminate this Agreement, and terminate each and every right of Consultant, and any person claiming any rights by or through Consultant under this Agreement. The rights and remedies of Authority enumerated in this paragraph are in addition to and independent of Authority's rights under any other provision of this Agreement and any right or remedy available to Authority at law or in equity.

2.4.1 Absence of Default. If after Authority gives notice of termination for cause, it is determined that Consultant was not in default of a material obligation of this Agreement, the termination shall be deemed to be a termination for the convenience of Authority under paragraph 2.3.

2.5 Executive Director's Authority. The Authority's Executive Director or their designee is hereby authorized to make all decisions and take all actions required under this Article to suspend or terminate this Agreement.

ARTICLE III – COMPENSATION

3.1 Amount of Compensation. Authority shall pay Consultant for satisfactory performance of the scope of services, as follows:

3.1.1 Rates. Authority shall pay Consultant those fixed amounts set forth in Exhibit B attached hereto and incorporated herein by reference.

3.1.2 Expenses. No travel or other expenses will be reimbursed by Authority.

3.1.3 Maximum Amount. Notwithstanding paragraphs 3.1.1 and 3.1.2, the maximum payments under this Agreement shall not exceed a total of Five Thousand Seven Hundred Forty Dollars (\$5,740) per contract year, including any optional year(s).

3.2 Payment Process. Consultant may submit one invoice per calendar month in arrears for services provided to the Auditor-Controller, who will review the invoice to confirm its contents match the services provided during the period covered by the invoice.

3.2.1 Content of Invoices. Invoices shall be in a form acceptable to the Napa County Auditor and include Consultant's name, address, Social Security or Taxpayer Identification Number, and the Authority Agreement number. If this Agreement provides for payment based on unit prices or tasks completed, invoices shall include itemization of the hours worked, descriptions of the tasks completed during the billing period, the names and positions of person(s) performing the services, and the hourly or task rates. If the Agreement or Exhibit B provides for a fixed or lump sum price and Consultant presents monthly invoices, each invoice must indicate the percentage of work completed (e.g., 50% of design or draft report) or the milestone(s) achieved in Exhibit B, which will allow Consultant to be paid the equivalent percentage of the fixed price.

3.2.2 Expenses. If the Agreement provides for reimbursement of expenses, invoices shall describe the nature and cost of the expense, and the date incurred. Receipts must be included with the invoice.

3.3 Annual Appropriation of Funds. Consultant acknowledges that the term of this Agreement may extend over multiple Authority fiscal years, and that compensation under this Agreement is contingent on the Board of Directors appropriating funding for this Agreement for those fiscal years. This Agreement may be terminated at the end of the fiscal year for which sufficient funding is not appropriated and authorized. Authority is not obligated to pay Consultant, nor is Consultant obligated to provide further services if sufficient funds have not been appropriated and authorized by the Board of Directors.

ARTICLE IV – INSURANCE

4.1 Insurance. Prior to commencing the scope of services, Consultant shall obtain and maintain in full force and effect throughout the term of this Agreement, and thereafter as to matters occurring during the term of this Agreement, the insurance coverage set forth in Exhibit C.

4.2 Inclusion in Subcontracts. Consultant shall require its subconsultants and any other entity or person providing services under this Agreement to comply with the Workers Compensation and General Liability insurance requirements set forth in Exhibit C.

ARTICLE V – INDEMNIFICATION

5.1 Indemnification and Hold Harmless. To the fullest extent permitted by law, Consultant shall defend at its own expense, indemnify, and hold harmless Authority and its officers, agents, employees, volunteers, and representatives from and against any and all liability, claims, actions, proceedings, losses, injuries, damages or expenses of every name, kind, and description, including litigation costs and reasonable attorney’s fees incurred in connection therewith, brought for or on account of personal injury (including death) or damage to property, arising from all acts or omissions of Consultant or its officers, agents, employees, volunteers, consultants and subconsultants in providing services under this Agreement, excluding, however, such liability, claims, actions, losses, injuries, damages or expenses to the extent arising from the active or sole negligence or willful misconduct of Authority. Each party shall notify the other party immediately in writing of any claim or damage related to activities performed under this Agreement. The parties shall cooperate with each other in the investigation and disposition of any claim arising out of the activities under this Agreement.

5.2 Design Professionals. To the extent Consultant is providing the services of a “design professional” as defined in California Civil Code section 2782, Authority acknowledges that Consultant’s obligations under paragraph 5.1 may be limited under Civil Code Section 2782.8.

5.3 Effect of Insurance. The provisions of this Article are not limited by the requirements of Article IV related to insurance.

5.4 Enforcement Costs. Consultant shall reimburse any and all costs Authority incurs enforcing the indemnity, hold harmless, and defense provisions set forth in this Article.

5.5 Survival. This Article shall survive termination or expiration of this Agreement and continue in effect so long as a viable claim may exist.

ARTICLE VI – MANDATORY AUTHORITY PROVISIONS

6.1 Compliance with County Policies. Consultant shall comply, and require its employees and subconsultants to comply, with the following policies, copies of which are available on

County’s website at <https://www.countyofnapa.org/771/Purchasing> and are hereby incorporated by reference.

6.1.1 Napa County “Waste Source Reduction and Recycled Product Content Procurement Policy,” which is found in the Napa County Policy Manual Part I, Section 8D.

6.1.2 Napa County “Discrimination, Harassment and Retaliation Prevention Policy,” which is found in the Napa County Policy Manual Part I, Section 37K.

6.1.3 Napa County “Drug and Alcohol Policy,” which is found in the Napa County Policy Manual Part I, Section 37O.

6.1.4 “Napa County Information Technology Use and Security Policy” which is found in the Napa County Policy Manual Part I, Section 31A.

6.1.5 Napa County “Workplace Violence Policy,” which is found in the Napa County Policy Manual Part I, Section 37U.

6.2 Inducement of Authority Employees. Consultant shall not permit its officers, agents, or employees to engage in any activities during the performance of any of services under this Agreement that would interfere with compliance or induce violation of these policies by Authority employees or consultants.

ARTICLE VII – COMPLIANCE WITH LAWS

7.1 Compliance with Controlling Law. Consultant shall comply with all laws, ordinances, regulations, and policies of federal, California, and local governments applicable to this Agreement. Consultant shall comply immediately with all directives issued by Authority or its authorized representatives under authority of any laws, statutes, ordinances, rules, or regulations.

7.2 Conflict of Interest. Consultant acknowledges that they are aware of the provisions of Government Code sections 1090, et seq., and sections 87100, et seq., relating to conflict of interest of public officers and employees. Consultant hereby covenants that it presently has no interest not disclosed to Authority and shall not acquire any interest, direct or indirect, which would conflict in any material manner or degree with the performance of the scope of services under this Agreement. Consultant further warrants that it is unaware of any financial or economic interest of any public officer or employee of Authority relating to this Agreement. Violation of this paragraph by Consultant is a material breach of this Agreement which may result in termination of the Agreement for cause.

7.3 Taxes. Consultant shall file federal and state tax returns or applicable withholding documents and pay all applicable taxes or make all required withholdings on amounts paid pursuant to this Agreement. Consultant shall be solely liable and responsible to make such

withholdings and pay such taxes and other obligations including, without limitation, state and federal income and FICA taxes. Consultant shall indemnify and hold Authority harmless from any liability it may incur to the United States or the State of California if Consultant fails to pay or withhold, when due, all such taxes and obligations. If Authority is audited for compliance regarding any withholding or other applicable taxes or amounts, Consultant shall furnish Authority with proof of payment of taxes or withholdings on those earnings within 10 business days after notice from Authority.

ARTICLE VIII – DISPUTE RESOLUTION

8.1 Mandatory Non-binding Mediation. If a dispute arises out of or relates to this Agreement, or the breach thereof, and if said dispute cannot be settled through normal contract negotiations, the parties agree to attempt to settle the dispute in an amicable manner, using mandatory mediation through Judicial Arbitration and Mediation Services (JAMS) or any other neutral organization agreed to by the parties. To initiate mediation, the initiating party shall send written notice of its request for mediation to the opposing party. Mediation is mandatory before either party may initiate litigation or have recourse in a court of law.

8.2 Mediation Costs. The expenses of witnesses for either side shall be paid by the party producing such witnesses. All other expenses of the mediation, including required traveling and other expenses of the mediator, and the cost of any proofs or expert advice produced at the direct request of the mediator, shall be borne equally by the parties, unless they agree otherwise.

8.3 Selection of Mediator. A single mediator that is acceptable to both parties shall be used to mediate the dispute. The mediator may be selected from lists furnished by JAMS or any other agreed upon mediator. The parties shall endeavor to agree on a mediator within 10 business days, unless a longer period is mutually agreed to in writing by Consultant and Authority. If the parties cannot agree on a mediator, JAMS or other neutral organization shall select the mediator.

8.4 Conduct of Mediation Sessions. Mediation hearings will be conducted in an informal manner and discovery will not be allowed. The discussions, statements, or admissions will be confidential to the proceedings and will be subject to Evidence Code section 1152. The parties may agree to exchange any information they deem necessary. Both parties shall have a representative attend the mediation who is authorized to settle the dispute, though Authority's recommendation of settlement may be subject to the approval of the Board of Directors. Either party may have attorney(s), witnesses, or expert(s) present. Either party may request a list of witnesses and notification whether attorney(s) will be present.

8.5 Mediation Results. Any resultant agreements from mediation shall be documented in writing. Mediation results and documentation, by themselves, shall be "non-binding" and inadmissible for any purpose in any legal proceeding, unless such admission into evidence is otherwise agreed to in writing by both parties. Mediators shall not be subject to any subpoena or liability, and their files and actions shall not be subject to discovery.

ARTICLE IX – GENERAL PROVISIONS

9.1 Access to Records/Retention. Consultant shall provide Authority with access to Consultant's records which are reasonably necessary for Authority to review or audit Consultant's compliance with the provisions of this Agreement. Consultant shall provide such access within 10 business days after written request by Authority, either by providing copies of the requested records to Authority or allowing Authority to inspect and photocopy the records at Consultant's place of business where the records are kept. Consultant shall maintain all records related to this Agreement for at least four years after expiration or termination of this Agreement. For the avoidance of doubt, records as identified in this paragraph do not include Consultant's workpapers which are proprietary information and access is restricted.

9.1.1 Ownership of Consultant's Workpapers. The workpapers and files supporting the services Consultant performs are the sole and exclusive property of Consultant and constitute confidential and proprietary information. Consultant does not provide access to its workpapers and files to Authority or anyone else in the normal course of business. Unless required by law or regulation to the contrary, Consultant retains its workpapers and files in accordance with its record retention policy that typically provides for a retention period of seven years. After this period expires, Consultant's workpapers and files will be destroyed. Furthermore, physical deterioration or catastrophic events may shorten the time Consultant's records are available. The workpapers and files of Consultant are not a substitute for Authority's records. Pursuant to authority given by law, regulation or professional standards Consultant may be requested to make certain workpapers and files available to a regulator for its regulatory oversight purposes. Consultant will notify Authority of any such request, if permitted by law. Access to the requested workpapers and files will be provided to the regulator under the supervision of Consultant personnel and at a location designated by Consultant. Furthermore, upon request, Consultant may provide copies of selected workpapers and files to such regulator. The regulator may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

9.1.2 Data Aggregation. Consultant regularly aggregates anonymized client data and perform a variety of analyses using that aggregated data. Some of these analyses are published to clients or released publicly. However, Consultant is always careful to preserve the confidentiality of the separate information that Consultant obtains from each client, as required by the AICPA Code of Professional Conduct and various laws. Authority's acceptance of this Agreement will serve as its consent to Consultant's use of anonymized data in performing and reporting on these cost comparison, performance indicator and/or benchmarking analyses.

9.2 Notices. All notices required or authorized by this Agreement shall be in writing and shall be delivered in person or by deposit in the United States mail, by certified mail, postage prepaid, return receipt requested. Any mailed notice, demand, request, consent, approval, or communication that either party desires to give the other party shall be addressed to the other

party at the address set forth below. Either party may change its address by notifying the other party of the change of address. Any notice sent by mail in the manner prescribed by this paragraph shall be deemed to have been received on the date noted on the return receipt or five days following the date of deposit, whichever is earlier.

9.3 Independent Contractors. Consultant and its subconsultants, if any, are independent contractors and not agents of Authority. Any provisions of this Agreement that may appear to give Authority any right to direct Consultant concerning the details of performing the scope of services, or to exercise any control over such performance, shall mean only that Consultant shall follow the direction of Authority concerning the end results of the performance.

9.4 Contract Interpretation. This Agreement and all Contract Documents shall be deemed to be made under, and shall be construed in accordance with and governed by, the laws of the State of California without regard to the conflicts or choice of law provisions thereof. It is the intent of the Contract Documents to completely describe the goods and services to be provided. Any work, materials, or equipment that may reasonably be inferred from the Contract Documents or from prevailing custom or trade usage as being required to produce the intended result shall be supplied whether or not specifically called for or identified in the Contract Documents. When words or phrases which have a well-known technical or industry or trade meaning are used to describe work, materials, equipment, goods, or services such words or phrases shall be interpreted in accordance with that meaning unless a definition has been provided in the Contract Documents. In resolving conflicts resulting from errors or discrepancies in any of the Contract Documents, the order of precedence shall be in descending order as set forth below (the document in paragraph 9.4.1 having the highest precedence). Provisions of the Contract Documents addressing the same subject which are consistent but have different degrees of specificity shall not be considered to be in conflict, and the more specific language shall control. Order of Precedence:

- 9.4.1 This Agreement.
- 9.4.2 The Exhibits to this Agreement.
- 9.4.3 RFP No. ACO022601
- 9.4.4 Consultant's proposal or statement of qualifications

9.5 Drafting Ambiguities. The parties acknowledge that they have the right to be advised by legal counsel with respect to the negotiations, terms, and conditions of this Agreement, and the decision of whether to seek advice of legal counsel with respect to this Agreement is the sole

responsibility of each party. This Agreement shall not be construed in favor of or against either party by reason of the extent to which each party participated in the drafting of the Agreement.

9.6 Third Party Beneficiaries. Unless expressly set forth in this Agreement, none of the provisions of this Agreement are intended to benefit any third party not specifically referenced herein. No person other than Authority and Consultant shall have the right to enforce any of the provisions of this Agreement.

9.7 Force Majeure. In the event either party's performance is delayed due to causes which are outside the control of both parties and their subconsultants, contractors and employees, and could not be avoided by the exercise of due care, which may include, but is not limited to, delays by regulating agencies, wars, floods, adverse weather conditions, labor disputes, unusual delay in transportation, epidemics abroad, earthquakes, fires, terrorism, incidence of disease or other illness that reaches outbreak, epidemic and/or pandemic proportions, unusual delay in deliveries, riots, civil commotion or other unavoidable casualties, and other acts of God, both parties will be entitled to an extension in their time for performance equivalent to the length of delay. Neither party will be entitled to compensation from the other for force majeure events. The party claiming its performance is delayed must demonstrate to the reasonable satisfaction of the other party that a force majeure event is causing the delay; the mere occurrence of a force majeure event is insufficient to extend the time for performance.

9.8 Confidentiality of Services. All services performed by Consultant and any subconsultants, including but not limited to all drafts, data, information, correspondence, proposals, reports of any nature, estimates compiled or composed by Consultant, are for the sole use of Authority. Neither the documents nor their contents shall be released by Consultant or any subconsultant to any third party without the prior written consent of Authority. Contractor shall not disclose records or other information provided by Authority under this Agreement to any third party, except as necessary to perform the scope of services, unless the records or information: (1) were publicly known, or otherwise known to Consultant, at the time it was disclosed to Consultant by Authority; (2) subsequently become publicly known through no act or omission of Consultant; (3) otherwise become known to Consultant other than through disclosure by Authority; or (4) disclosure is required by law, regulation or professional standard. This confidentiality provision does not prohibit Consultant from disclosing Authority's information to one or more of Consultant's affiliated companies in order to provide services that Authority has requested from Consultant or from any such affiliated company. Any such affiliated company shall be subject to the same restrictions on the use and disclosure of Authority's information as apply to Consultant. Authority also consents to Consultant's disclosure of information regarding the nature of services Consultant provides to Authority to another independent network member of CLA Global, for the limited purpose of complying with professional obligations regarding independence and conflicts of interest. Consultant may, at times, use third-party software applications to perform services under this Agreement. Authority acknowledges the software vendor may have access to its data

9.9 Insolvency. Consultant shall notify Authority if Consultant enters into bankruptcy proceedings. This notification shall be furnished within five days of the initiation of the proceedings relating to bankruptcy filing. This notification shall include the date on which the bankruptcy petition was filed, the identity of the court in which the bankruptcy petition was filed, and a listing of Authority contract numbers and contracting offices for all Authority contracts against which final payment has not been made. This obligation remains in effect until final payment is made under this Agreement.

9.10 Attorney's Fees. If either party commences legal action of any kind or character to either enforce the provisions of this Agreement or to obtain damages for breach thereof, the prevailing party in such litigation shall be entitled to all costs and reasonable attorney's fees incurred in connection with such action. This paragraph does not apply to attorney's fees or costs incurred during mediation.

9.11 Venue. This Agreement is made and entered into in Napa County, California. Venue for any legal action in state court filed by either party to this Agreement for the purpose of interpreting or enforcing any provision of this Agreement shall be in the Superior Court of California, County of Napa. Venue for any legal action in federal court filed by either party to this Agreement for the purpose of interpreting or enforcing any provision of this Agreement shall be in the Northern District of California.

9.12 Exhibits Incorporated. All Exhibits referenced in this Agreement are hereby incorporated into the Agreement by this reference.

9.13 Authority Powers. Nothing contained in this Agreement shall be construed as a limitation upon the powers of Authority as a joint powers agency. Nothing in this Agreement shall be interpreted as limiting the rights and obligations of Authority or any of its member agencies in their governmental or regulatory capacity.

9.14 Survival of Obligations. All indemnifications, warranties, guarantees and other obligations that by their nature involve performance after the early termination or expiration of this Agreement or after completion and acceptance of the scope of services, shall survive the early termination or expiration of this Agreement. Such obligations include, but are not limited to, paragraphs 1.4 (Correction of Deficient Services), 9.1 (Access to Records/Retention), 9.8 (Confidentiality of Services), and Article VIII (Dispute Resolution). Obligations related to insurance or indemnity shall continue in full force and effect after the date of early termination or expiration, but only with regard to acts or omissions that occurred during the term of the Agreement.

9.15 Severability. Should any provision of this Agreement be held invalid or illegal by a court of competent jurisdiction, such invalidity or illegality shall not invalidate the whole of this Agreement, but rather, the Agreement shall be construed as if it did not contain the invalid or illegal provision, and the rights and obligations of the parties shall be construed and enforced accordingly, except to the extent that enforcement of this Agreement without the invalidated

provision would materially and adversely impact either or both parties' consideration for entering into this Agreement.

9.16 Amendment/Modification. This Agreement may be modified or amended only in writing and with the prior written consent of both parties. Failure of Consultant to secure such authorization in writing in advance of performing any extra or changed work shall constitute a waiver of any and all rights to adjustment in compensation or contract time.

9.17 No Waivers. Any failure by either party to insist upon the strict performance by the other of any obligation of this Agreement, or any failure to exercise any right or remedy for a breach of any term or condition of this Agreement, shall not constitute a waiver of any such failure to perform or breach of any term or condition. A waiver must be express and in writing. The waiver by either party of any breach or violation of any requirement of this Agreement shall not be deemed to be a waiver of any such breach in the future, or of the breach of any other requirement of this Agreement.

9.18 No Assignments. Consultant may not assign the obligations under this Agreement, nor any monies due or to become due under this Agreement, without Authority's prior written approval. Any assignment in violation of this paragraph shall constitute a default and is grounds for termination of this Agreement at Authority's sole discretion. In no event shall any putative assignment create a contractual relationship between Authority and any putative assignee.

9.19 Successors in Interest. All rights and obligations created by this Agreement shall be in force and effect whether or not any parties to the Agreement have been succeeded by another entity, and all rights and obligations created by this Agreement shall be vested and binding on any party's successor in interest.

9.20 Entirety of Contract. This Agreement, including any documents expressly incorporated by reference whether or not attached hereto, constitutes the entire agreement between the parties relating to the subject of this Agreement and supersedes all previous agreements, promises, representations, understandings, and negotiations, whether written or oral, among the parties with respect to the subject matter hereof.

9.21 Electronic Signatures and Counterparts. By executing this Agreement, all parties consent and agree that any electronic signature, as defined by Civil Code section 1633.2(h), affixed hereto shall have the full force and effect as a wet or manual signature. This Agreement may be executed in counterparts, which when taken together, shall constitute a single signed original as though all parties had executed the same page.

[remainder of page intentionally blank]

IN WITNESS WHEREOF, this Agreement is executed by Authority, acting by and through its Chair of the Board of Directors, and by Consultant through its duly authorized officer(s).

If Consultant or Consultant's employees, officers, or agents will use personal automobiles in any way in the performance of this Agreement, Consultant shall provide evidence of personal auto liability coverage for each such person upon request.

C.3 Certificates of Coverage. All insurance coverages referenced in paragraph C.2, above, shall be evidenced by one or more certificates of coverage or, with the consent of Authority's

Risk Manager, demonstrated by other evidence of coverage acceptable to Authority's Risk Manager, which shall be filed by Consultant with the Authority's Executive Director prior to commencement of the Scope of Services.

C.3.1 Notice of Cancellation. The certificate(s) or other evidence of coverage shall reference this Agreement by its Authority number or title; shall be kept current during the term of this Agreement; shall provide that Authority shall be given no less than thirty (30) days prior written notice of any non-renewal, cancellation, other termination, or material change, except that only ten (10) days prior written notice shall be required where the cause of non-renewal or cancellation is non-payment of premium.

C.3.2 Multiple Insureds. The certificate(s) shall provide that the inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, the coverage afforded applying as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the company's liability.

C.3.3 Waiver of Subrogation and Additional Insured Endorsements. For the commercial general liability insurance coverage referenced in subparagraph C.2.1 and, for the comprehensive automobile liability insurance coverage referenced in subparagraph C.2.3 where the vehicles are covered by a commercial policy rather than a personal policy, Consultant shall also file with the evidence of coverage an endorsement from the insurance provider naming the Authority, its officers, employees, agents, and volunteers as additional insureds via a blanket endorsement as required by written contract and waiving subrogation. For the Workers Compensation insurance coverage, Consultant shall file an endorsement waiving subrogation with the evidence of coverage.

C.3.4 Additional Requirements. The certificate or other evidence of coverage shall provide that if the same policy applies to activities of Consultant not covered by this Agreement, then the limits in the applicable certificate relating to the additional insured coverage of Authority shall pertain only to liability for activities of Consultant under this Agreement, and that the insurance provided is primary coverage to Authority with respect to any insurance or self-insurance programs maintained by Authority. The additional insured endorsements for the general liability coverage shall use Insurance Services Office (ISO) Form No. CG 20 09 11 85 or CG 20 10 11 85, or equivalent, including (if used together) CG 2010 10 01 and CG 2037 10 01; but shall not use the following forms: CG 20 10 10 93 or 03 94.

C.4 Self-Insured Retention. In the event of a claim, suit, or action, the Authority reserves the right to request relevant sections of any applicable insurance policy and endorsements. Any self-insured retentions (SIR) shall not reduce the limits of liability. The failure to exercise this right shall not constitute a waiver of such right.
