This Schedule is part of and governed by the Master Service Agreement, the "Agreement", executed by the Parties. The terms and conditions of the Agreement are incorporated herein by reference.

The Customer's Facility Names and addresses are:

- Napa County Jail, 2210 Napa-Vallejo Highway, Napa, CA 94558
- Juvenile Hall, 212 Walnut St, Napa, CA 94559 (Juvenile)

Unless otherwise stated in the Agreement, Provider will only deploy inmate telephone services at Customer's Juvenile Facility. Provider and Customer agree to the following terms and conditions in connection with Provider's installation and provision of inmate communication services to Customer's Main Facility:

Term of the Agreement

The term of this Agreement shall commence on the date first above written and shall expire on June 30, 2028. The term of the Agreement shall be automatically renewed for an additional year at the end of each fiscal year, under the terms and conditions then in effect, not to exceed two (2) additional years, unless either party gives the other party written notice of intention not to renew no less than thirty (30) days prior to the expiration of the then current term. For purposes of this Agreement, "fiscal year" shall mean the period commencing on July 1 and ending on June 30.

2.2 Suspension for Convenience. County may suspend all or any portion of Provider's performance under this Agreement at its sole option and for its convenience at no cost for a period of time not to exceed 60 days. County must give 10 days prior written notice to Provider of such suspension. County may rescind the suspension prior to or at 60 days by providing Provider with written notice of the rescission, at which time Provider will be required to resume performance in compliance with the terms and provisions of this Agreement. Provider shall be entitled to an extension of time to complete performance equal to the length of the suspension unless otherwise agreed to in writing by the parties.

2.3 Termination for Convenience. County may terminate all or any portion of this Agreement at its sole option and for its convenience, by giving 30 days prior written notice of such termination to Provider. The termination of the Agreement shall be effective 30 days after receipt of the notice by Provider. After receipt of notice of termination of all or any portion of the Agreement, Provider shall immediately discontinue all affected performance (unless the

notice directs otherwise) and complete any additional work necessary for the orderly filing of documents and closing of Provider's affected performance under the Agreement. Provider shall deliver to County all data, drawings, specifications, reports, estimates, summaries, and such other information and materials created or received by Provider in performing this Agreement, whether completed or unfinished. Provider may keep copies for its own records. County shall pay Provider for services satisfactorily provided before the effective date of termination, and reasonable costs incurred by Provider in providing County with the data and documents required by this paragraph. Provider shall not be compensated for lost or anticipated profit or overhead on the terminated portion of this Agreement.

2.4 Termination for Cause. County may terminate this Agreement for default if Provider fails to satisfactorily perform any material obligation required by this Agreement. Default includes Provider's failure to timely provide services in accordance with the schedule. If Provider fails to satisfactorily cure a default within 10 days of receiving written notice from County specifying the nature of the default, County may immediately terminate this Agreement, and terminate each and every right of Provider, and any person claiming any rights by or through Provider under this Agreement. The rights and remedies of County enumerated in this paragraph are in addition to and independent of County's rights under any other provision of this Agreement and any right or remedy available to County at law or in equity.

2.4.1 Absence of Default. If after County gives notice of termination for cause, it is determined that Provider was not in default of a material obligation of this Agreement, the termination shall be deemed to be a termination for the convenience of County under paragraph 2.3.

2.5 Annual Appropriation of Funds. Provider acknowledges that the term of this Agreement may extend over multiple County fiscal years, and that compensation under this Agreement is contingent on the Board of Supervisors appropriating funding for this Agreement for those fiscal years. This Agreement may be terminated at the end of the fiscal year for which sufficient funding is not appropriated and authorized. County is not obligated to pay Provider, nor is Provider obligated to provide further services if sufficient funds have not been appropriated and authorized by the Board of Supervisors.

2.6 Purchasing Agent's Authority. The County Purchasing Agent or their designee is hereby authorized to make all decisions and take all actions required under this Article to suspend or terminate this Agreement.

7. The Parties understand and acknowledge that from time-to-time regulatory authorities and other governing bodies may make rule changes that affect the financial terms of the services offered in the Agreement and thereby Provider's financial ability to maintain such services. In such event, the parties agree that Provider may make changes to its financial terms to bring its service offerings, rates, and fees both into conformance with any applicable rule changes and still maintain a reasonable profit.

8. Provider agrees to provide each incarcerated person two, 15-minute telephone calls each week at no charge.

Smart Communications' Responsibilities (Inmate Telephone System)

9. Provider's telephone services and system are provided by way of Provider's Smart-EVO™ ITS terminals. Provider anticipates providing and deploying approximately 61 terminals in Customer's Facility (4 in the Juvenile Facility), in locations that are agreed upon following a technical review and walk through.
10. Provider shall service and maintain its telephone system and Smart-EVO™ ITS terminals at Provider's expense, except as otherwise agreed upon herein.
11. Provider shall comply with the Americans with Disabilities Act (ADA) for all equipment it provides.

Customer's Responsibilities (Inmate Phone System)

12. Customer agrees to provide adequate space for installation of Provider's Smart-EVO™ ITS terminals, and easy accessibility for inmate use during the normal operating hours. In the event Customer is not the owner of the premises, Customer shall, where necessary, obtain permission from the building owner or owner's agent for the placement of the ITS terminals, and shall be responsible for any fees for use of required riser cable and electric power.
13. Customer agrees to maintain the area around the ITS terminals and ensure safe and ready access by inmates.
14. Customer agrees to allow Provider access to perform maintenance during the established hours of accessibility as jointly agreed by the parties, except when access must be denied ensuring the safety of Provider service personnel and/or to maintain institutional control.
15. Customer agrees to allow Provider, with prior written approval of Customer, access to and use of house cable and inside wire at no cost, to install and provide telephone service. Any new house cable or inside wire required during the contract term will be at the sole expense of the Provider, unless otherwise negotiated with Customer.
16. Customer agrees that any relocation, expansion, addition, or removal of ITS hardware, equipment, or terminals, which would result in extraordinary expenses must be agreed to by Provider in advance of the cost being incurred or alternately, the cost be paid by Customer.
17. Customer agrees to exercise reasonable and ordinary care to prevent the loss through theft or damage to the ITS terminals and equipment from any source.
18. Customer agrees to, at its option, purchase and provide enclosures at its own expense for Telephones. In the event Customer elects to provide its own enclosures, Customer shall be responsible for installation and maintenance of said enclosures.

19. Customer represents and warrants that Provider's ITS system will be installed on property owned by the Customer, or if Customer is not the owner of the premises, Customer has obtained permission from the Facility's owner or owner's agent.

SmartTablets™ and Secure Network

20. The SmartTablet™ system and its entire supporting infrastructure are provided at no cost to Customer or inmates.

21. Provider will furnish its proprietary SmartTablet™ on a 1:1 inmate to tablet ratio based on the Average Daily Population ("ADP"). Sufficient reserve tablets shall also be provided. Customer shall determine which inmates have access to the SmartTablets™.

22. The SmartTablet™ is a custom, wireless, ruggedized and correctional grade tablet of Provider's custom specifications that will connect to our secure network.

23. The SmartTablet™ software operating system and applications are all custom-compiled for a corrections environment to ensure that only the minimum operating system components and applications are present. The inmate only has access to applications that are approved for their use, and the operating system is only allowed to connect to our own secure wireless network within the facility.

24. The network itself is designed to facilitate applications within a corrections environment. Provider utilizes a deny-by-default policy on all traffic, so nothing may traverse the network unless specifically allowed and enabled. Provider utilizes a defense-in-depth strategy which employs many layers of security. If any one layer of security is breached, there are many others to provide continuing protection.

Distribution and Refurbishment Plan (SmartTablets™)

25. Provider will deploy tablet charging stations ("home base") within each housing unit within the facility. These home bases will be permanently installed into a housing area (e.g. wall mounted) or available via charging cart. Each home base provides the necessary connections for charging the tablets, as well as a convenient storage location to ensure all tablets are accounted for during non-usage times.

26. Based on the 1:1 deployment model, each tablet will be assigned to a specific inmate. If an assigned tablet stops working, the inmate to whom it is assigned can return it to Customer staff for shipping back to Provider for maintenance. Provider will facilitate pickup and delivery of malfunctioning and replacement SmartTablets™ at no charge to Customer.

27. Upon receipt of non-functioning tablets, Provider will evaluate to determine the cause. Tablets will either be replaced under warranty, or, if vandalism is determined to be the cause, the inmate will be responsible for repayment in accordance with the procedures set forth herein.

Damage (SmartTablets™)

28. The tablets provided are ruggedized for use in a correctional setting; however, if an inmate is determined, they can be damaged enough to require repair. Should this occur, the facility will be required to fill out a damage report form and assist in obtaining restitution. Inmates responsible for causing intentionally damaged tablets will be invoiced for the replacement cost by Provider, and such invoice can be paid through a public user or payment transfer from the inmate's trust account. Once the balance has been paid, a new tablet will be issued and assigned to the inmate.

29. Any inmates without an assigned tablet due to an unpaid balance owed for vandalism will have access to select community tablets or SmartKiosks™, as applicable, for which only essential services will be made available.

30. Provider will provide a fully functional electronic messaging system for the inmates of the Customer's Facility (SmartInmate™), accessible via Provider's SmartTablet™ devices. Customer shall have the capability of monitoring and reviewing all electronic messages and attachments sent through the electronic messaging system, except those messages deemed to be privileged under law between attorney and client. Further, Provider will maintain a record of all electronic messages sent through the electronic messaging system for a period of seven (7) years from the time the message is sent.

36. Friends and Family can access the electronic messaging and photo delivery system via the SmartInmate.com website.

Mandatory Non-binding Mediation

103. If a dispute arises out of or relates to this Agreement, or the breach thereof, and if said dispute cannot be settled through normal contract negotiations, the parties agree to attempt to settle the dispute in an amicable manner, using mandatory mediation through Judicial Arbitration and Mediation Services (JAMS) or any other neutral organization agreed to by the parties. To initiate mediation, the initiating party shall send written notice of its request for mediation to the opposing party. Mediation is mandatory before either party may initiate litigation or have recourse in a court of law.

Confidentiality of Services.

104. All services performed by Provider and any subconsultants, including but not limited to all drafts, data, information, correspondence, proposals, reports of any nature, estimates compiled or composed by Provider, are for the sole use of County. Neither the documents nor their contents shall be released by Provider or any subconsultant to any third party without the prior written consent of County. Contractor shall not disclose records or other information provided by County under this Agreement to any third party, except as necessary to perform the scope of services, unless the records or information: (1) were publicly known, or otherwise known to Provider, at the time it was disclosed to Provider by County; (2) subsequently become publicly known through no act or omission of Provider; or (3) otherwise become known to Provider other than through disclosure by County.

Independent Contractors.

105. Provider and its subproviders, if any, are independent contractors and not agents of County. Any provisions of this Agreement that may appear to give County any right to direct Provider concerning the details of performing the scope of services, or to exercise any control over such performance, shall mean only that Provider shall follow the direction of County concerning the end results of the performance.

Survival of Obligations.

106. All indemnifications, warranties, guarantees and other obligations that by their nature involve performance after the early termination or expiration of this Agreement or after completion and acceptance of the scope of services, shall survive the early termination or expiration of this Agreement. Such obligations include, but are not limited to, paragraphs 1.4

(Correction of Deficient Services), 9.1 (Access to Records/Retention), 9.8 (Confidentiality of Services), and Article VIII (Dispute Resolution). Severability

107. Should any provision of this Agreement be held invalid or illegal by a court of competent jurisdiction, such invalidity or illegality shall not invalidate the whole of this Agreement, but rather, the Agreement shall be construed as if it did not contain the invalid or illegal provision, and the rights and obligations of the parties shall be construed and enforced accordingly, except to the extent that enforcement of this Agreement without the invalidated provision would materially and adversely impact either or both parties' consideration for entering into this Agreement.

No Waivers

108. Any failure by either party to insist upon the strict performance by the other of any obligation of this Agreement, or any failure to exercise any right or remedy for a breach of any term or condition of this Agreement, shall not constitute a waiver of any such failure to perform or breach of any term or condition. A waiver must be express and in writing. The waiver by either party of any breach or violation of any requirement of this Agreement shall not be deemed to be a waiver of any such breach in the future, or of the breach of any other requirement of this Agreement.

No Assignments.

109. Provider may not assign the obligations under this Agreement, nor any monies due or to become due under this Agreement, without County's prior written approval. Any assignment in violation of this paragraph shall constitute a default and is grounds for termination of this Agreement at County's sole discretion. In no event shall any putative assignment create a contractual relationship between County and any putative assignee.

Successors in Interest

110. All rights and obligations created by this Agreement shall be in force and effect whether or not any parties to the Agreement have been succeeded by another entity, and all rights and obligations created by this Agreement shall be vested and binding on any party's successor in interest.

Entirety of Contract

111. This Agreement, including any documents expressly incorporated by reference whether or not attached hereto, constitutes the entire agreement between the parties relating to the subject of this Agreement and supersedes all previous agreements, promises, representations, understandings, and negotiations, whether written or oral, among the parties with respect to the subject matter hereof.

Counterparts

112. This Agreement may be executed in counterparts, which when taken together, shall constitute a single signed original as though all parties had executed the same page.

IN WITNESS WHEREOF, this Agreement is executed by County, acting by and through the Chair of the Board of Supervisors, and by Provider through its duly authorized officer(s).

Provider shall provide County with certification of all such coverages upon request by County's Risk Manager.

C.2 Liability Insurance. Provider shall obtain and maintain in full force and effect during the term of this Agreement the following occurrence-based liability insurance coverages, issued by a company admitted to do business in California and having an A.M. Best rating of A:VII or better, or equivalent self-insurance:

C.2.1 General Liability. Commercial general liability (CGL) insurance coverage (personal injury and property damage) of not less than TWO MILLION DOLLARS (\$2,000,000) combined single limit per occurrence, covering liability or claims for any personal injury, including death, to any person and/or damage to the property of any person arising from the acts or omissions of Provider or any officer, agent, or employee of Provider under this Agreement. If the coverage includes an aggregate limit, the aggregate limit shall be no less than twice the per occurrence limit.

C.2.2 Professional Liability/Errors and Omissions. Professional liability (or errors and omissions) insurance for all activities of Provider arising out of or in connection with this Agreement in an amount not less than TWO MILLION DOLLARS (\$2,000,000) per claim. If the coverage includes an aggregate limit the aggregate limit shall be no less than twice the per occurrence limit.

C.2.3 Comprehensive Automobile Liability Insurance. Comprehensive automobile liability insurance (Bodily Injury and Property Damage) on owned, hired, leased and non-owned vehicles used in conjunction with Provider's business of not less than ONE MILLION DOLLARS (\$1,000,000) combined single limit per occurrence. Coverage shall be business auto insurance coverage using Insurance Services Office (ISO) form number CA 0001 06 92 including symbol 1 (any Auto) or the exact equivalent. If Provider owns no vehicles, this requirement may be satisfied by a non-owned auto endorsement to the General Liability Insurance described in paragraph C.2.1, above. If Provider or Provider's employees, officers, or agents will use personal automobiles in any way in the performance of this Agreement, Provider shall provide evidence of personal auto liability coverage for each such person upon request.

C.3 Certificates of Coverage. All insurance coverages referenced in paragraph C.2, above, shall be evidenced by one or more certificates of coverage or, with the consent of County's Risk Manager, demonstrated by other evidence of coverage acceptable to County's Risk Manager,

which shall be filed by Provider with the County Department administering this Agreement prior to commencement of the Scope of Services.

C.3.1 Notice of Cancellation. The certificate(s) or other evidence of coverage shall reference this Agreement by its County number or title and department; shall be kept current during the term of this Agreement; shall provide that County shall be given no less than thirty (30) days prior written notice of any non-renewal, cancellation, other termination, or material change, except that only ten (10) days prior written notice shall be required where the cause of non-renewal or cancellation is non-payment of premium.

C.3.2 Multiple Insureds. The certificate(s) shall provide that the inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, the coverage afforded applying as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the company's liability.

For the Workers Compensation insurance coverage, Provider shall file an endorsement waiving subrogation with the evidence of coverage.

C.3.4 Additional Requirements. The certificate or other evidence of coverage shall provide that if the same policy applies to activities of Provider not covered by this Agreement, then the limits in the applicable certificate relating to the additional insured coverage of County shall pertain only to liability for activities of Provider under this Agreement, and that the insurance provided is primary coverage to County with respect to any insurance or self-insurance programs maintained by County. Any deductibles or self-insured retentions shall be declared to, and be subject to approval by County's Risk Manager, which approval shall not be denied unless the County's Risk Manager determines that the deductibles or self-insured retentions are unreasonably large in relation to compensation payable under this Agreement and the risks of liability associated with the activities required of Provider by this Agreement. This includes work performed during the design, site assessment, feasibility study, and other preconstruction phases of construction, including but not limited to inspection and land surveying work, regardless of whether any further construction work is conducted, and work performed during the post-construction phases of construction, including but not limited to all cleanup work at the jobsite.

D.1.1 Copies of such prevailing rate of per diem wages are on file at the Napa County Public Works Department and are available for inspection to any interested party on request. Copies of the prevailing rate of per diem wages also may be found at <http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm>. Contractor and all subcontractors shall post a copy of the prevailing rate of per diem wages determination at each job site and shall make them available to any interested party upon request.

D.1.2 The wage rates determined by the DIR refer to expiration dates. If the published wage rate does not refer to a predetermined wage rate to be paid after the expiration date, then the published rate of wage shall be in effect for the life of this Agreement. If the published wage rate refers to a predetermined wage rate to become effective upon expiration of the published wage rate and the predetermined wage rate is on file with the DIR, such predetermined wage rate shall become effective on the date following the expiration date and shall apply to this Agreement in the same manner as if it had been published in said publication. If the predetermined wage rate refers to one or more additional expiration dates with additional predetermined wage rates, which expiration dates occur during the life of this Agreement, each successive predetermined wage rate shall apply to this Agreement on the date following the expiration date of the previous wage rate. If the last of such predetermined wage rates expires during the life of this Agreement, such wage rate shall apply to the balance of the Agreement.

D.2 Penalties for Violations. Contractor and all subcontractors shall comply with California Labor Code section 1775 in the event a worker is paid less than the prevailing wage rate for the work or craft in which the worker is employed. This is in addition to any other applicable penalties allowed under the California Labor Code.

Contractor shall require all subcontractors to also comply with section 1776 to the extent they are performing public works. Contractor and all subcontractors shall furnish records specified in section 1776 on a monthly basis directly to the Labor Commissioner in the manner required by California Labor Code section 1771.4. Contractor and all subcontractors shall also furnish the records to County at County's request. Contractor shall ensure its subProviders and subcontractors prepare and submit payroll records to the DIR and County as required by this paragraph.

D.3.1 If Contractor and any subcontractors are exempt from the DIR registration requirement pursuant to paragraph D.9.3 below, then Contractor and any subcontractors are not required to furnish payroll records directly to the Labor Commissioner but shall retain the records for at least three years after completion of the work, pursuant to California Labor Code section 1771.4(a)(4).

D.3.2 County may require Contractor and its subcontractors to prepare and submit records specified in section 1776 to County and the Labor Commissioner on a weekly basis, at no additional cost to County.

D.4 Apprentices. Contractor and all subcontractors shall comply with California Labor Code sections 1777.5, 1777.6 and 1777.7 concerning the employment and wages of apprentices on public works projects. Contractor is responsible for compliance for all apprenticeable occupations pursuant to California Labor Code section 1777.5(n), and could be penalized for violations of its subcontractors pursuant to California Labor Code section 1777.7.

D.5 Working Hours. Contractor and all subcontractors shall comply with California Labor Code sections 1810 through 1815. Contractor and all subcontractors shall restrict the time of service of any worker on a public works project to eight hours during any one calendar day and forty hours during any one calendar week, unless all hours worked in excess of 8 hours per day are compensated at not less than 1½ times the basic rate of pay. Violations are subject to penalties of \$25 per worker per day pursuant to California Labor Code section 1813.

D.6 Required Provisions for Subcontracts. Contractor shall include, at a minimum, a copy of the following provisions in any contract they enter into with a subcontractor: California Labor Code sections 1771, 1771.1, 1775, 1776, 1777.5, 1813, and 1815.

D.7 Labor Code Section 1861 Certification. In accordance with California Labor Code section 3700, Contractor is required to secure the payment of compensation of its employees. By signing the Agreement to which this is an exhibit, Contractor certifies that:

"I am aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and

I will comply with such provisions before commencing the performance of the work of this contract.”

D.8 Compliance Monitoring and Enforcement. This project is subject to compliance monitoring and enforcement by the DIR. County must withhold contract payments from Contractor as directed by the DIR, pursuant to California Labor Code section 1727.

D.9 Registration Requirements. Contractor and any subcontractors shall not engage in the performance of any contract for public work, unless currently registered and qualified to perform public work pursuant to California Labor Code section 1725.5.

D.9.2 County may ask Contractor for the most current list of subcontractors (regardless of tier), along with their DIR registration numbers, utilized on this project at any time during performance of this Agreement, and Contractor shall provide the list within ten (10) working days of County’s request.

D.9.3 The registration requirement does not apply on a public works project of twenty-five thousand dollars (\$25,000) or less when the project is for construction, alteration, demolition, installation, or repair work, or on a public works project of fifteen thousand dollars (\$15,000) or less when the project is for maintenance work, pursuant to California Labor Code sections 1725.5(f) and 1771.1(n).
