## Community Participation

### Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

I have firsthand experience with the challenges and needs faced by those who have served in the military. This unique perspective allows me to better understand the issues affecting veterans and advocate for solutions that address their specific needs. Additionally, I still feel a strong sense of dedication and camaraderie to my fellow veterans. Moreover, I understand military processes, programs, and the culture surrounding military life and those in it. I believe I have the right experience, attitude, and perspective to be a beneficial member of this commission.
