A VISION OF THE FUTURE

SCIENCE, RESEARCH AND FIRES CONTINUE TO EXPAND OUR KNOWLEDGE AND UNDERSTANDING OF THE PROBLEM

THE PLAN – HOW WE CAN GET THERE

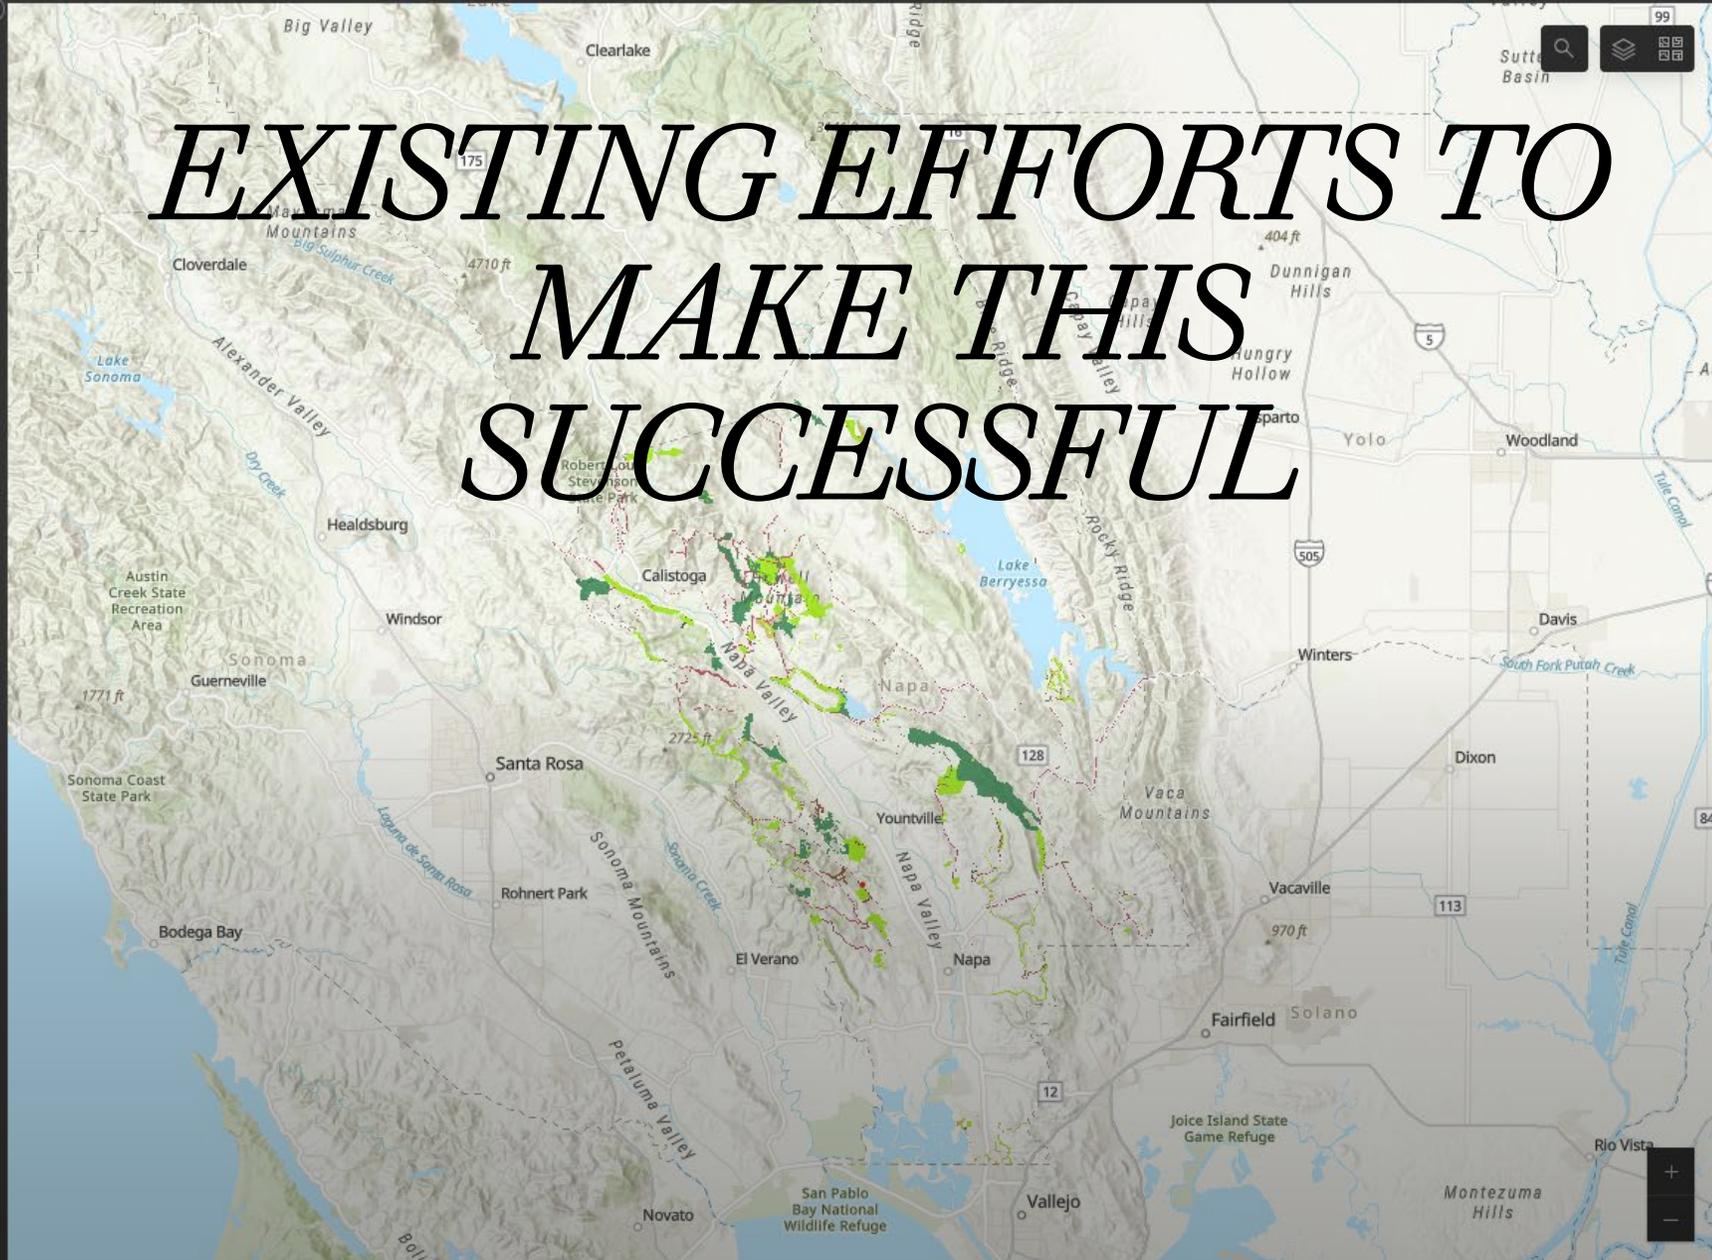

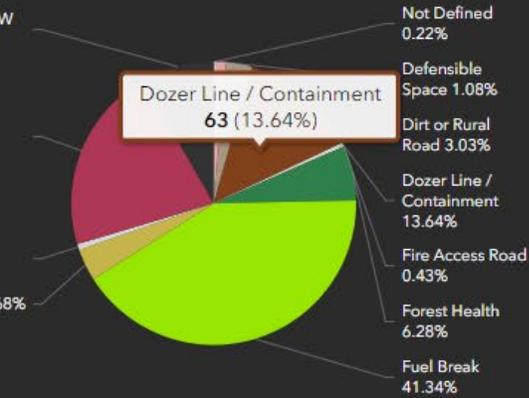

**OUTTHINK
WILDFIRE**
WILDFIRE ACTION POLICIES

1. Require all homes and businesses in the WUI to be ignition resistant
2. Current codes and standards, as well as sound land use practices, must be in use and enforced
3. Fire departments for communities in the WUI must be prepared to respond safely and effectively to wildfire
4. Government must increase resources for vegetative fuel management
5. The public must understand their role and take action in reducing wildfire risk
