Community Participation

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

As I moved on into my 80's, I have been more clear, both personally and in the community generally, the challenges that face the aging population in Napa County. The elderly population is growing, and for many, the basic needs for living are a increasing challenge. Especially when they may have limited resources, and sometimes no family or friends who can help. In my career I have been keenly aware of the need for good, targeted funding to care for those who do not have the resources to adequately meet their needs. The funding that comes through the Area Agency on Aging is critical in managing how it is best used. I am asking for the opportunity to be part of that process. I bring to this process my experience and knowledge obtained as Director of Criminal Justice Planning for Napa County, managing the resources of local non-profits, dealing with the various funding streams for County Mental Health services, and managing a large county budget as Director of Corrections for Napa County.
