BACKGROUND AND DISCUSSION

Before COVID, all new Napa County employees were introduced to the Board of Supervisors once a month, but due to COVID restrictions, the practice was halted in March 2020. Today, we would like to begin presenting the new employees to the Board of Supervisors. This will include a short slide-show presentation of

employees hired March 2020 through May 2021, followed by in-person introductions from new County employees whom began in June 2021.
