Community Participation

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

In my time as a Probation Officer in Napa County I have worked very closely with individuals that are dealing with drug and/or alcohol addiction. I have supervised people at the various stages of addiction and recovery. I would like to become more familiar with other perspectives from various community entities about addiction issues and possible solutions. I bring a youthful perspective and an optimism to be more proactive rather than reactive to tackle the ongoing drug and alcohol related issues in the community.
