Community Participation

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

I have been serving on the Wildlife Conservation for 6 prior years. Two years as Chair. I wish to continue serving to assist in the preservation of wildlife (flora and fauna) to maintain, protect and foster the continued preservation of Napa County. Providing financial assistance is essential for community organizations to encourage new wildlife programs is essential for preserving Napa's natural health and wealth. Loss of these natural resources will lead to a barren existence and unhealthy world and social system. I can contribute by employing my scientific education; past experience with grant evaluation and monitoring; naturalist training and environmental experience; and consulting experience to assess and evaluate the grant proposals and to apply my organizational leadership skills for greater outcomes.
