### Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

I have been a real estate agent for over 24 years. I started my career in the San Francisco Bay Area, with my first office in Walnut Creek and worked in Contra Costa, Alameda and San Francisco County. I later moved to Santa Rosa and worked in Sonoma County, Marin County, Mendocino & Lake County. In 2005, I established an LLC to develop properties and dissolved it during the recession in 2010, which was also when I divorced my 1st husband. In 2010, I used that down turn in the Real Estate market to go back to school to study Viticulture & Enology. I have worked in the wine industry and I have made two vintages of wine as well. I believe having knowledge of vineyards and the wine industry relates to housing, development and how to balance with the Agricultural preserve as well. I have lived in Napa for 10 years and have been very active in our community through Leadership Napa Valley Class 30; and advocate for housing and other important resources to help improve the quality of living for all residents. I met my current husband in 2014, and have been able to dedicate myself to my career and community in more fulfilling ways. I have three kids, two University graduates and one who attends middle school, which will offer insight to those with children and pets. I am an avid bicyclist and active outdoors, which will help provide insight to promoting a healthy community. I believe my extensive real estate background, advocacy with various community programs, and personal experience will allow me to help offer key insight to collaborate on the Housing Commission and advocate for our local residents.
