Dear Dr. Relucio:

LETTER OF AWARD:

Real-time Allotment Number: 2128R-TA00

Data Universal Numbering System (DUNS) Number: 071688188

FUNDING PERIOD: July 1, 2021 through June 30, 2022

This letter is confirmation of your local assistance award to support tuberculosis (TB) prevention and control activities in fiscal year (FY) 2021-2022.

REAL-TIME ALLOTMENT

The California Department of Public Health (CDPH) Tuberculosis Control Branch (TBCB) is increasing the amount of the Real-time Allotment awarded to the Napa County Public Health Department by \$15,415, with the understanding that your staff will work with CDPH TBCB staff in carrying out your program's TB control efforts. This revised installment is comprised of \$6,784 state and \$8,631 federal funds.*

The amount is based on the number of TB cases and case characteristics reported by your jurisdiction between June 1 and October 31, 2021. A final installment of your Real-time Allotment may be sent to your jurisdiction if additional or previously unreported TB cases, case characteristics and/or completed B1-notification evaluations are reported between November 1 and December 31, 2021. Funds are issued for up to five TB cases and/or case characteristics per calendar year; completed B1-notification evaluations are not limited.

This award is valid and enforceable only if the enacted State of California FY 2021-2022 budget and the 2021 and 2022 Federal budgets make sufficient funds available for the purposes of this program.
