EXHIBIT B-2
COMPENSATION

Compensation

CONTRACTOR shall be entitled to payment for qualifying services delivered under the Agreement at the applicable current Drug Medi-Cal rates for Narcotic Treatment Programs, as determined pursuant to Welfare & Institution Code Section 14021.51. No changes in the rates shall add a new type of services to those services set forth in Exhibit A of the Agreement. Total reimbursement under this Agreement may not exceed \$94,900.00.

COUNTY shall accept, and reimburse, a claim from any subcontracted OTP/NTP provider (Referring OTP/NTP) that pays another OTP/NTP for providing courtesy dosing (Dosing OTP/NTP) to a visiting beneficiary. COUNTY shall use the reimbursement rate established in this Agreement.

CONTRACTOR shall invoice the COUNTY for services by the 15th of the month following its provision of any services under this Agreement. CONTRACTOR shall include documentation of individual services by date of service, including client name, address and case number, and the CMS-1500 Claim forms.

Per Federal Regulation, providers must bill all other health coverage (OHC) prior to submitting claims to Napa County for Medi-Cal reimbursement, as Medi-Cal is the payer of last resort.

The OHC insurer is considered the primary insurance and may pay all, part, or none of the cost of services. Any unreimbursed cost may be claimable to Medi-Cal. In place of the 15-day billing period otherwise required by the immediately preceding paragraph, claims where OHC exists shall be submitted to Napa County within 30 days from receipt of the Explanation of Benefits (EOB), or no later than four months from the date of service, whichever occurs first. When submitting claims to Napa County for individuals with OHC, a copy of the OHC EOB or denial shall be attached to the CMS-1500 form unless the claim falls under the next paragraph.

In order to submit claims to Napa County within four months from the date of service, claims must be submitted to any OHC insurer in a timely manner. If no response or EOB is received from the OHC insurer within 90 days from the date of claim submission, CONTRACTOR may presume denial from the OHC and submit their CMS-1500 claim to Napa County. When submitting claims with a presumed denial from the OHC, CONTRACTOR shall attach a letter stating that no response was received from the OHC, include in the letter the name of the OHC, and state the date the claim was submitted to the OHC.

Either party may terminate this Agreement for any reason by giving a (30) calendar day written notice to the other party. Notice of termination shall be by written notice to the other party and be sent by registered mail. CONTRACTOR shall reimburse COUNTY for all overpayments identified by CONTRACTOR, and/or State or Federal oversight agencies as an audit exception.

CONTRACTOR shall make any repayment based on audit exception(s) upon discovery of said exception(s). If reimbursement is required, CONTRACTOR shall reimburse COUNTY within 60 days of identification.

Payment Rates

"Uniform Statewide Daily Reimbursement Rate (USDR)" means the rate for NTP services based on a unit of service that is a daily treatment service, developed in accordance with Section 14021.6 of the W&I Code Section, Section 11758.42 of the HSC and Title 9, CCR, commencing with Section 10000 (Document 3G). The following table shows USDR rates:

(*) The NTP Contractor may be reimbursed for up to 200 minutes (20 ten-minute increments) of individual and/or group counseling per calendar month. If a medical necessity determination is made that requires additional NTP counseling beyond 200 minutes per calendar month, NTP Contractors may bill and be reimbursed for additional counseling (in 10 minute increments). Medical justification for the additional counseling must be clearly documented in the patient record. Reimbursement for covered NTP services shall be limited to the lower of the NTP's usual and customary charge to the general public for the same or similar services or the USDR rate.

1. Buprenorphine: Average daily dose of 16 milligrams, sublingual tablets.
2. Disulfiram: Average daily dose between 250 and 500 milligrams.

Clients with Medi-CAL and Other Health Coverage (OHC)

Per Federal Regulation, providers must bill all other health coverage options prior to submitting claims to Napa County for Medi-Cal reimbursement.

The Other Health Care (OHC) insurer is considered the primary insurance and may pay all, part, or none of the cost of services. Any unreimbursed cost may be claimable to Medi-Cal. Claims where OHC exists must be submitted to Napa County within 30 days from receipt of the Explanation of Benefits (EOB), but no later than 5 months from the date of service. When submitting claims to Napa County for individuals with OHC, a copy of the OHC EOB or denial must be attached to the monthly itemized invoice.

In order to submit claims to Napa County within 5 months from the date of service, it is in the best interest of the client and the provider to submit claims to the OHC insurer in a timely manner. If no response or EOB is received from the OHC insurer primary insurance within 90-days from the date of claim submission, the provider may presume denial from the OHC and submit their monthly itemized invoice to Napa County. When submitting claims with a presumed denial from the OHC, attach a letter stating that no response was received from the OHC, include in the letter the name of the OHC and the date the claim was submitted.
