*Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute:

The work of the Planning Council directly relates to the work of the Child Start, Inc., the agency I oversee. Child Start's mission it to support the educational and social-emotional development of children, 0-5, by providing high quality, comprehensive and family focused early childhood services, in partnership with the community. I consider the work of the LPC to be in line with our mission and have served the last few years on the Council to further that work. It is important that our community's youngest children have advocates for their needs.
