<b>DUNS</b>	

<b>Total Allocation</b>	<b>\$51,144</b>
-------------------------	-----------------

The County requests continuation of the PATH grant. These funds will be expended in accordance with all applicable federal and state requirements, and will be used as stated in the enclosed PATH Funding Agreements with Federal Requirements on Use of Allotments, Certification Statements and Compliance Assurances.

This estimate is the proposed total expenditure level for State Fiscal Year 2021-22 and is subject to change based on the level of appropriation approved in the State Budget Act of 2021. In addition, this amount is subject to adjustments for a net reimbursable amount to the county. The adjustments include, but are not limited to, Gramm-Rudmann-Hollings (Federal Deficit Reduction Act) reductions, prior year audit recoveries, federal legislative mandates applicable to categorical funding, augmentations, etc. The net amount reimbursable will be reflected in reimbursable payments as the specific dollar amounts of adjustments become known for each county.

The County will use this funding allocation worksheet to build the County's SFY 2021-22 budget for the provision of services to reduce or eliminate homelessness for individuals with serious mental illnesses (SMI), co-occurring substance use disorders (COD), and who are experiencing homelessness or are at imminent risk of becoming homeless.
