Re: Letter of Commitment

Dear CalRecycle,

As the Amnesty Grants Manager of West Coast Rubber Recycling Inc. I am familiar with its contents and the County of Napa project goals associated with their application for the Waste Tire Amnesty Grant Program. West Coast Rubber Recycling, Inc. has agreed to participate as a tire hauler / recycler to support the planned Waste Tire Amnesty Events in Napa County's proposed grant application; and if awarded, West Coast Rubber Recycling Inc. recognizes the County of Napa as the Grant Lead for all purposes including, but not limited to, execution of all grant documents necessary to secure grant funds and implementation of the approved grant project.

Sincerely,

Jim Hornung
