Re: Letter of Intent

Dear CalRecycle,

As the Chief Executive Officer for Conservation Corps North Bay I have read the CalRecycle Local Government Waste Tire Amnesty Event Grant Application and am familiar with its contents and the County of Napa project goals associated with their application. Conservation Corps North Bay has agreed to participate as subcontractor to hold and staff the Waste Tire Amnesty Events in Napa County's proposed grant application; and if awarded, Conservation Corps North Bay recognizes the County of Napa as the Grant Lead for all purposes including, but not limited to, execution of all grant documents necessary to secure grant funds and implementation of the approved grant project.
