Community Participation

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

I love books and Libraries, in general, and feel they are increasingly important to communities. Specifically, I have been impressed with the Napa Library people and programs since we moved in 2010 with a very young child. We, and I, have been regular visitors and supporters. The need for our Library as a Public Space is incredibly important and the demands on Staff over the past few years have been extraordinary. I would like to help. I have some experience with nonprofit/board/fundraising/volunteer management and am happy to pitch in where I can. When I worked with management consulting, my practice was mainly with long-term planning, which may be of some use.
