Community Participation

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

I was raised in Napa, raised my family in Napa and spent my entire career working in Napa and for the people of Napa as a public servant. I am passionate about preserving and/or enhancing the quality of life here and that includes providing for housing that is affordable for those who live and work here. I am also concerned that we be smart in terms of how we plan for the housing needs of our residents. I am interpersonally and intellectually curious, love to do research to make sure I have the most up-to-date information, and am open-minded about ideas, innovations and solutions to local concerns. I endeavor to be thoughtful, to listen intently to others and I willingly contribute to discussions. I believe these are important qualities and skills for a committee such as one that will be advising the Board of Supervisors on the important issue of housing.

Nature of activity and community location

I have participated on many committees and boards throughout my adult life in Napa. I am currently Co-chair of the Napa Housing Coalition, a group of interested community members advocating for housing that is affordable. I have participated on this committee since its inception several years ago. I have also coached and been a board member for local girls softball, have served on boards of non-profits such as Cope and am active in service organizations such as Soroptimist International of Napa and Napa Valley Kappa Kappa Gamma Alumnae Association. My experience with local groups reflect my ability to work with a variety of organizations, teams and people and with each opportunity, I am willing to pick up responsibilities where needed for the success of the organization/project.

SUBJECT: Housing Element Advisory Committee (HEAC) Application letter of recommendation for Teresa Zimny

I want to recommend in the strongest manner the consideration of Teresa Zimny for the HEAC. I have known her for twenty years and in that time have come to know her as a trusted community partner and leader that is committed to the people of Napa. She has 30 years of experience as a senior executive with Napa County HHSA, 27 of those in the Self-Sufficiency division, and well understands the housing needs of our local workforce. She also developed proficiency with the "self-sufficiency standard" and how it can be best utilized.

While working with Public Health and Live Healthy Napa County, Teresa developed expertise in Social Determinants of Health, Health in all Policies and Collective Impact approaches to public policy. She currently serves as the Co-chair of the Napa Housing Coalition, a grassroots advocacy group in Napa County that advocates for housing that is affordable.

Teresa has a great analytical mind and is an exceptional researcher and collaborator. She will be an excellent addition to the HEAC.
