REPORT BY: Paulette Cooper - Deputy Clerk of the Board II
SUBJECT: Reappointment of Frank J. Cabral to the Napa County Mosquito Abatement District Board of Trustees

RECOMMENDATION

Reappointment of Frank J. Cabral, for a third term, to serve as the Napa County representative on the Napa County Mosquito Abatement District Board of Trustees with a term of office to commence immediately and expire on December 31, 2025. (No Fiscal Impact)

BACKGROUND

There is currently one opening on the Napa County Mosquito Abatement District Board of Trustees due to expired term. The County Executive Office advertised the opening and received one appointment request from Frank J. Cabral.

Mosquito abatement districts are formed pursuant to laws found in the California Health and Safety Code Division 3, Chapter 1, Section 2000 et. seq. These laws, also known as the Mosquito Abatement Act of 1915, allow for local municipalities or counties to form the Districts. Napa County Mosquito Abatement District (Napa County MAD) was formed in 1925 to minimize the effects of the County's mosquito population. Napa County MAD currently services the entire County. The District has a staff of nine full-time employees and is funded by both ad valorem property tax and benefit assessment revenues.

The Mosquito Abatement District Board of Trustees consists of six members. There is one member from each of the Cities and Town in the District (American Canyon, Calistoga, Napa, St. Helena and Yountville) and one member representing the County.

On October 20, 2023, the County Executive Office received the attached letter from the Napa County Mosquito Abatement District Manager, Wesley Maffei, requesting the reappointment of Mr. Cabral to the Napa County Mosquito Abatement District Board of Trustees.
