BACKGROUND AND DISCUSSION

The Clerk of the Board team within the County Executive Office currently has a vacant Administrative Support Technician position. Following a review of department needs, it was determined that the team has a need for a higher level position dedicated to the support of assessment appeals and clerking duties tied to various County Boards and Commissions. If approved, this request will delete the vacant Administrative Support Technician, and replace it with a Board Clerk I/II position to better support the operations of the Clerk of the Board.

Therefore, the Director of Human Resources and the County Executive Officer request the adoption of a Resolution amending the Departmental Allocation List for the County Executive Office, as shown in "Exhibit A," effective September 28, 2021, with no net increase in full-time equivalents, and a slight increase to the General Fund.
