BACKGROUND AND DISCUSSION

Since April 1, 2016, and prior to Yamaha's lease with the County, Yamaha subleased the approximately 1,907 sq. ft. of space from the International Airline Training Academy (IATA), which leased space at the Airport under County Agreement No. 8710 between October 1, 2014, and December 31, 2017. The Board subsequently approved Agreement No. 180217B with Yamaha Motor Corporation to continue leasing this space upon IATA's departure. The Agreement was amended in December 2018, December 2019, and December 2020 to extend the term through calendar years 2019, 2020 and 2021 respectively. Yamaha has now requested that the County continue their lease for the space through December 31, 2022.

Staff requests Board approval of Amendment No. 4 to Lease Agreement No. 180217B with Yamaha Motor Corporation U.S.A. for their continued use of space at 2000 Airport Road.

Aside from the requested amendment to extend the term, all other terms and conditions of Agreement No. 180217B remain in full force and effect.
