BACKGROUND AND DISCUSSION

The Napa County Library released a Request for Proposal on March 31, 2022 for "Live Online Tutoring" to provide homework help to library patrons in grades K-1, college, and adults in continuing education programs. Of the proposals submitted, only two met all the guidelines, and were moved forward to the final evaluation. Tutor.com's evaluation ranked highest overall when content and system functionality, tutoring staff requirements, company background, cost and additional services were scored.

Today's requested action is for the approval of an agreement with Tutor.com with a total contract maximum of \$100,000 for up to five years, to provide tutoring services for Napa County Library patrons.
