### **BACKGROUND AND DISCUSSION**

Senate Bill 129 (Stats.2021, Ch. 69), amended the Budget Act of 2021 providing for the “implementation and operation of ongoing court programs and practices that promote the safe, efficient, fair and timely pretrial release of individuals booked into jail.”

Under the terms of the State funding, the Court must contract with the Napa County Probation Department to perform required services. The funding is earmarked for a Pretrial Program to support a judicial system that protects the public, ensures the rights of defendants and the fair and efficient administration of justice in pretrial decision-making.

The MOU is an agreement for the provision of Pretrial services between the Court and Probation. The Court shall compensate Probation for employee salaries and benefits, services, and supplies for the expansion of the Pretrial Program. The MOU may be extended for three (3) additional one (1) year periods.

Annual ongoing funding is expected. The Court is anticipated to receive \$211,133 in Fiscal Year 2022-2023 with the ability to retain up to 30% of the State allocation.
