F. If the Director of Human Resources, the County Executive Officer, and the Department Head all determine that there is a compelling reason that a future retiree train their replacement prior to that employee's retirement date, the Director of Human Resources has the authority to create a new limited term position for up to six months to provide that training.

BACKGROUND AND DISCUSSION

Currently, for a limited term position allocation to be added to a Department Allocation Listing, the department head must obtain initial approval from the County Executive Office and Human Resources. Once initial approval is granted, Human Resources prepares a staff report and resolution which is reviewed by County Counsel, and then submitted to the Clerk of the Board for inclusion on a Board of Supervisors' meeting agenda for approval. The process is lengthy, driven by early deadlines, and involves staff from multiple departments.

For certain requests where timing is critical, the current process can be improved. Human Resources has identified two types of requests that warrant a streamlined and condensed process: 1) when an employee has announced their retirement from the County and the department has a compelling reason that the retiree should train their replacement prior to their retirement date; and 2) when an employee is absent from the workplace due to illness, injury, or disability, and the Director of Human Resources, the County Executive Officer, and the Department Head determine it is necessary for the department to hire additional staff to continue to provide services. Each limited term position granted shall last for a maximum term of 13 pay periods (approximately 6 months) from the date of hire for retirement and a maximum term of 26 pay periods (approximately 1 year) for extended leaves of absence.

Therefore, the Director of Human Resources requests the introduction and intent to adopt an Ordinance amending Title 2 (Administration and Personnel) Article III (Terms of Employment) and adding new language to Section Chapter 2, Section 100.180 (Appointments) of the Napa County Code regarding limited-term appointments.
