BACKGROUND AND DISCUSSION

In 1974, the voters of California approved the Political Reform Act of 1974 (Act), Government Code Section 81000 et seq. Among other things, the Act requires every agency to adopt and promulgate a conflict of interest code (Government Code Section 87300). For this purpose, “agency” includes any local government agency. An agency may adopt its code by incorporating by reference the model conflict of interest code set forth in Section 18730 of Title 2 of the California Code of Regulations.

In each county, the Board of Supervisors, in this case acting as the Governing Board of Directors of the IHSS Public Authority, is the “code-reviewing body” of any local agency, other than a city located entirely within the boundaries of the county, per Government Code Section 82011(b). Additionally, Government Code Section 87303 provides that no conflict of interest code is effective until it has been approved by the code-reviewing body.

Authority Counsel has reviewed the IHSS Public Authority Conflict of Interest Code, last updated December 3, 2002, and determined that an amendment is necessary to update the disclosure categories assigned to require the disclosure of all investments, business positions, interest in real property and sources of income which may be affected materially by the designated positions.

Authority Counsel recommends that the IHSS Public Authority approve the amended Conflict of Interest Code and directs the Clerk of the Board/Secretary of the Authority to give notice of its actions to this affected local agency.
