### **RECOMMENDATION**

Auditor-Controller requests authorization to deny one (1) State assessed unitary property tax refund claim for return of 2018-19 tax paid on Assessor Parcel Number 799-000-161-XXX (one Utility property), pursuant to Revenue and Taxation Code Section 100 and Section 5096.

### **EXECUTIVE SUMMARY**

Auditor-Controller is required to calculate the tax rate necessary for the timely and accurate billing of property tax in Napa County. The California Constitution Articles XIII and XIII A and Revenue and Taxation Code direct the counties on the property tax process, including state assessed unitary property. The Auditor-Controller's Office has received one property tax refund claim from a unitary property owner (one Utility company) for paid 2018-19 tax. The property owner's claim states the unitary property tax rate is in excess of the rate allowed by the California Constitution, and have requested a refund of \$3,141,828 plus interest, attorney fees and other costs.

The Auditor-Controller's Office has followed all the requirements of Revenue and Taxation Code Section 100 directing the establishment and calculation of the unitary tax rate for tax year 2018-19. The unitary tax rate

process has been previously audited by the State Controller's Office and deemed calculated in compliance with State law. The Auditor-Controller is requesting the Board's authorization to deny the claim.

### **BACKGROUND AND DISCUSSION**

In California, the California Constitution and Revenue and Taxation Code legislate property tax. Under Article XIII, Section 1 (a) all property is taxable. Under Section 19 the state Board of Equalization is required to annually assess property owned or used by telegraph or telephone companies. This property shall be subject to taxation to the same extent and in the same manner as other property. Article XIII A Section 1 (a) states the maximum amount of any ad valorem tax on real property shall not exceed one percent (1%) of the full cash value of such property. The one percent (1%) tax to be collected by the counties and apportioned according to law to the districts within the counties. Section 1 (b) states the limitation provided for subdivision (a) shall not apply to ad valorem taxes or special assessment to pay the interest and redemption charges on any of the listed voter approved debt, such as school bonds. Revenue and Taxation Code Section 723 and 723.1 instructs the state Board of Equalization regarding valuing property and defines certain state assessed properties as "unitary property" and "nonunitary property". Revenue and Taxation Code Section 100 instructs the County how the values and revenues for unitary property shall be allocated. Section 100 (a) requires the County to establish one countywide tax rate area. The assessed value of all unitary and operating nonunitary property shall be assigned to this tax rate area. No other property shall be assigned to this tax rate area. Section 100 (b) requires property assigned to the tax rate area created by subdivision (a) to be taxed for the counties ad valorem tax levies at a rate as proscribed by a set formula.

The claimants have challenged the state requirements and stated they are entitled to a refund of a portion of their paid 2018-19 unitary tax plus interest, attorney fees and other costs, on the grounds the tax was erroneously or illegally collected, or illegally assessed or levied, and gave the following reasons:

- a. The property tax rate applied to compute claimant's property tax was in excess of the rate applied in the same year to the property in the county assessed by the assessor of Napa County in violation of Article XIII, section 19 of the California Constitution and *ITT World Communications v. City and County of San Francisco*.
- b. The property tax rate applied to compute claimants' property tax exceeded the rate allowed by Article XIII A,

section 1 of the California Constitution.

In consultation with County Counsel, the Auditor-Controller's Office has reviewed the claim and the audited County practices for unitary taxation. Napa County follows the requirements of Revenue and Taxation Code Section 100 for the calculation of the unitary tax rate. Therefore, the Auditor-Controller has determined that no refund is allowable to the property owner and requests the Board to instruct the Auditor-Controller's Office to deny the claim.
