### **BACKGROUND AND DISCUSSION**

In November 2004, Napa County voters approved a 1.5% increase in the Transient Occupancy Tax (TOT) rate charged to visitors renting hotel and motel rooms in the unincorporated area. The increase, from 10.5% to 12%, took effect on January 1, 2005, and was not dedicated to any specific purpose. In FY2005-06, the first full year the additional 1.5% TOT rate was in effect, TOT revenue increased by \$930,000. The Board determined that the receipt of additional discretionary revenue provided an opportunity to consider County investments in projects or programs that were a Board priority. To that end, as part of the FY2005-06 County Budget process, the Board established the Special Projects Fund.

In 2012, the Board authorized the continued funding of the priority areas of the Special Projects Fund through Fiscal Year 2017-18, with 60% funding parks and open space, 20% funding affordable housing programs for hospitality workers and 20% funding arts and culture programs or services.

In August 2017, the Board authorized an Agreement with Napa County Regional Park and Open Space District for the term July 1, 2017 through June 30, 2023 to direct 60% of the Special Projects Funds to be used for parks and open space operations and planning.

In April 2023, the Board amended the Napa County Policy Manual, Part I; Section 8F entitled “Special Projects Fund Allocation Procedures” to eliminate the 20% allocation towards affordable housing and assigned it to parks and open space. The allocation towards arts and culture remained unchanged. The amendment also changed the name of the Special Projects Fund to the Community Investment Fund” to better indicate the purpose of the fund. The amended Community Investment Fund allocation formula is as follows:

- 80% - Parks and Open Space
- 20% - Arts and Culture Programs or Services

Approval of today’s action will recognize the Community Investment Fund as the new name and will direct 80% to be used for parks and open space operations and planning.
