Dear members of the Robert and Ellen Streich Family Endowment and the Napa Valley Community Foundation,

Thank you for your recent donation of \$4,000 to purchase books and outreach materials for the adult literacy program at the Napa County Library.

It is the goal of the library to enrich the lives of community members with books and information. Your ongoing support provides staff the ability to reach a large demographic of County residents, which allows the library to make a meaningful impact within the community.

Thank you for your continuing support.

Regards,
