Community Participation

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

I believe that serving on the Commission would further my dedication to seniors and our elderly population. My experience as an estate planning attorney working with the problems unique to my older clients is closely tied to the services and issues that confront our Napa County elderly citizens. I also am very involved in community service through my Rotary Club which works with other non-profit organizations in Napa County. Our work with these groups is educational and also gives me more insight into the needs of our community and how we can all work to assist others in need.
